Anagram Solver is the essential guide to cracking all types of quiz and crossword featuring anagrams. Containing over 200,000 words and phrases, Anagram Solver includes plural noun forms, palindromes, idioms, first names and all parts of speech. Anagrams are grouped by the number of letters they contain with the letters set out in alphabetical order so that once the letters of an anagram are arranged alphabetically, finding the solution is as easy as locating the word in a dictionary.

This textbook is targetted to undergraduate students in chemical engineering, chemical technology, and biochemical engineering for courses in mass transfer, separation processes, transport processes, and unit operations. The principles of mass transfer, both diffusional and convective have been comprehensively discussed. The application of these principles to separation processes is explained. The more common separation processes used in the chemical industries are individually described in separate chapters. The book also provides a good understanding of the construction, the operating principles, and the selection criteria of separation equipment. Recent developments in equipment have been included as far as possible. The procedure of equipment design and sizing has been illustrated by simple examples. An overview of different applications and aspects of membrane separation has also been provided. 'Humidification and water cooling', necessary in every process indus-try, is also described. Finally, elementary principles of 'unsteady state diffusion' and mass transfer accompanied by a chemical reaction are covered. SALIENT FEATURES : • A balanced coverage of theoretical principles and applications. • Important recent developments in mass transfer equipment and practice are included. • A large number of solved problems of varying levels of complexities showing the applications of the theory are included. • Many end-chapter exercises. • Chapter-wise multiple choice questions. • An Instructors manual for the teachers.

The Bloomsbury Anagram Finderis an aid to this often time-consuming and frustrating aspect of completing a crossword. It contains over 200,000 words, and phrases, including plural forms of nouns, palindromes, words of sixteen letters and over, backwords, all parts of speech, Christian names and idioms. The anagrams are grouped by the number of letters they contain, from 'if' and 'dean' to 'coffee-table book' and 'take the rough with the smooth', with the letters set out in alphabetical order. So once the letters of a crossword anagram are arranged alphabetically, finding the solution is as easy as locating a word in a dictionary. Together with Bloomsbury's Crossword Solverand Crossword Lists, the Anagram Finderwill prove invaluable to both beginners and experienced crossworders. Good luck with future crosswords!*

Excerpt from Dry Stories When Anne Winter looked down at the face of her first-born, she felt that motherhood was the supreme event of a woman's existence. She had been a clever artist in her time; had painted some pictures that people talked of noisily, had decorated the ceiling of a big church in a big town, and done a portrait in oil of one of the ladies of the cabinet. But on a certain January morning all this seemed mere nothingness to the light touch of tiny pink fingers like a drift of rose leaves on her breast. The babe had wailed because it had come into this big, brutal world, and when she had hushed its wailing, it seemed to her that she, Anne Winter, for the first time counted for something in this world. For the first time, she was. a real factor in the history of humanity. Her psychic senses seemed so quickened that the simplest things had a new significance, and everything in earth or heaven circled about that infant's head. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

In this "evocative first novel," an elderly woman looks back on the world of revolutionary Cuba as she recalls her intimate, secret love affair with Ernesto "Che" Guevara (Publishers Weekly). A young Cuban woman has been searching in vain for details of her birth mother. All she knows of her past is that her grandfather fled the turbulent Havana of the 1960s for Miami with her in tow, and that pinned to her sweater-possibly by her mother-were a few treasured lines of a Pablo Neruda poem. These facts remain her only tenuous links to her history, until a mysterious parcel arrives in the mail. Inside the soft, worn box are layers of writings and photographs. Fitting these pieces together with insights she gleans from several trips back to Havana, the daughter reconstructs a life of her mother, her youthful affair with the dashing, charismatic Che Guevara and the child she bore by the enigmatic rebel. Loving Che is a brilliant recapturing of revolutionary Cuba, the changing social mores, the hopes and disappointments, the excitement and terror of the times. It is also an erotic fantasy, a glimpse into the private life of a mythic public figure, and an exquisitely crafted meditation on memory, history, and storytelling. Finally, Loving Che is a triumphant unveiling of how the stories we tell about others ultimately become the story of ourselves. "A moving novel from a writer to watch." —Publishers Weekly "Inventive and hypnotic . . . [An] artful and restless examination of the exile soul." —Los Angeles Times "[Menendez] captures Cuba's potential, its desperation and decay, and also its dark humor." —The New York Times "The writing is consistently beautiful. Highly recommended." —Library Journal
