Road to Transformation; and The Dream Fulfilled.

The ultimate guide to the finest foods of Italy from the oldest, most celebrated Italian market in New York City In the heart of New York City's Little Italy sits Di Palo's, a family-owned food shop that has been the treasure of the neighborhood for more than a century. The four generations of Di Palos who have run this Italian specialty market have made it their mission to bring customers the finest old-world selections from Italy—handcrafted mozzarella, buttery prosciutto, estate olive oils, traditional artisanal pastas from throughout the country. Now, in one colorful volume, Lou Di Palo, great-grandson of the founder and steward of the family legacy, shares the vibrant history of this storied establishment and a lifetime of wisdom about the cuisine beloved around the world. Di Palo's Guide to the Essential Foods of Italy takes you on a gourmet excursion through Italy's twenty distinct regions, from Sicily to Umbria to Alto Adige. Each chapter highlights a specific food and its rich history, along with practical tips for selecting, storing, and serving it at home. Many include signature family recipes that have been handed down through the generations, including Grandma Mary's Sicilian Caponata and Concetta Di Palo's Meatballs, or recipes gathered from trips to Italy over the years, such as Trapani-Style Salted Sea Bass and Polenta con Formaggio Crucolo Fuso. Readers will discover, among many other things, the secret to a balsamic vinegar worthy of sharing only with one's closest friends, the proper way to prepare the perfect espresso, and the importance of looking for the Denominazione d'Origine Protetta—or the Protected Designation of Origin seal—which certifies that your food is a traditional, regional product. Complete with dozens of mouthwatering photographs, engaging anecdotes, and candid stories, and featuring a foreword by Academy Award-winning director Martin Scorsese, this immersive volume is part family narrative, part culinary odyssey, and part cookbook. Di Palo's Guide to the Essential Foods of Italy is your ticket to the best Italian foods—without having to wait in line! Praise for Di Palo's Guide to the Essential Foods of Italy "Of all the stores in all the world, Di Palo's is probably my favorite." Ruth Reichl "Lou Di Palo is single-handedly preserving the history of Little Italy in New York City. Shopping at Di Palo's is an authentic, personal experience. When you walk into the shop, you feel like you're in the center of the universe. I've been waiting for Lou to write this book for years. He's a good friend and an American treasure." Tyler Florence "Di Palo's has been one of the Seven Wonders of New York since 1925. This book is a beautiful story of their commitment to keeping Italian traditions, and shows the passion they've had for the artisanal best for almost one hundred years." Chef Daniel Boulud "Lou Di Palo's depth and breadth of knowledge of Italian foods extends from the Alpine hills to the Sicilian coastline and he manages to bring it all home to us in this wonderful book." Chef Michael Lomonaco "I love this book because it explains to an American how to elevate and enjoy great Italian ingredients. The pride that comes from Lou and his family translates to the store and, now, to the pages of this book. I found myself hungry after reading it. You will too." Chef Alex Guarnaschelli

"I recommend this book highly to everyone." --Deepak Chopra, M.D. This special updated version of the New York Times-bestseller, Kitchen Table Wisdom, addresses the same spiritual issues that made the original a bestseller: suffering, meaning, love, faith, and miracles. "Despite the awesome powers of technology, many of us still do not live very well," says Dr. Rachel Remen. "We may need to listen to one another's stories again." Dr. Remen, whose unique perspective on healing comes from her background as a physician, a professor of

medicine, a therapist, and a long-term survivor of chronic illness, invites us to listen from the soul. This remarkable collection of true stories draws on the concept of "kitchen table wisdom"-- the human tradition of shared experience that shows us life in all its power and mystery and reminds us that the things we cannot measure may be the things that ultimately sustain and enrich our lives.

Wisdom of the Yawo People is a collection of traditional proverbs and stories from the Yawo people of South Eastern Africa. The literature contains deep wisdom rooted in African soil, which will be applicable to people everywhere. The proverbs are told in both the Yawo language and English and reveal the end result of greed, laziness and pride. They also promote the value of welcoming strangers, belonging and being respectful. Each proverb and story is accompanied by a short interpretation, and illustration.

In these real-life stories, you'll meet all kinds of fathers--from a firefighter who literally saves life to the everyday heroes on whom we depend for strength, support, encouragement, love, and wisdom. They lead by example and impart wisdom on how to get through life the best way they know-how. They make us laugh, they make us proud. Fathers give us comfort when we're down or scared, and sometimes they give us gifts when we least expect it.

All Jack Falcone wants to do is be a veterinarian. While hoping to get into school he spends his mornings at the gym, days working at the zoo and his evenings studying. When Adam Buckminster, the man who just may hold the key to Jack's acceptance to school shows up at the gym and begins gaining impossible strength despite doing everything wrong, Jack's life suddenly starts down a spiral of improbable events. Only with the help of the massive Brock Steele and the self-proclaimed knight Wallace Claymore can Jack hope to get things back to normal. A witty, unbelievable romp through the streets of Buffalo, New York ensues that forces the trio to dance the magical line between science and myth.
