In his inimitable no-nonsense style, John Bird - founder of the Big Issue - shows us how to be successful in whatever we choose in just ten easy steps. No one is born deserving anything - you only deserve what you achieve by yourself. Drawing from this, John's philosophy is based on the idea that success is about deciding what you want, working out what is important to you and then going out to grab it. The beauty of this approach is that we can all achieve whatever we want; we just need to go after it. With unique lessons such as 'Don't be afraid to make mistakes along the way. Instead, make mistakes and learn from them' and 'Take responsibility for yourself as you are no one else's problem', The 10 Keys to Success shows us how uncomplicated success can be.

achievers. Instead of finding commonalities such as Ivy League educations, gold-star connections, and a dash of blind luck, Tracy discovered that the keys to their success were more often small adjustments in outlook and behavior--simple things that anyone can do! In *Personal Success*, Tracy lays out a simple, clear plan for anyone to be able to unlock their potential and find the success they previously thought was unattainable for them. Readers will learn to:

- Change your mindset to attract opportunity
- Banish self-limited beliefs
- Build your self-confidence
- Practice courage--because all successful people are risk takers
- Sharpen your natural intuition
- Continually upgrade your skills
- And more

Packed with simple but game-changing techniques, *Personal Success* is the answer you've been searching for to gain that winning edge and turn your dreams into realities.

This innovative book helps kindergarten teachers align learning-centered practices with state standards and offers classroom vignettes, practical strategies, lesson plans, and other essential resources.

The #1 New York Times bestseller. Over 3 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do

not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: □ make time for new habits (even when life gets crazy); □ overcome a lack of motivation and willpower; □ design your environment to make success easier; □ get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
