Comprehensive, accessible, and fully illustrated—this commentary on 1-2 Corinthians is a must-have resource. You want a deeper understanding of the Scriptures, but the notes in your study Bible don't give you enough depth or insight. This commentary was created with you in mind. Each volume of The Baker Illustrated Bible Commentary is a nontechnical, section-by-section commentary on one book or section of the Bible that provides reliable and readable interpretations of the Scriptures from leading evangelical scholars. This information-packed commentary will help you gain a deeper understanding of the Bible in your own personal study or in preparation for teaching. It tackles problematic questions, calls attention to the spiritual and personal aspects of the biblical message, and brings out important points of biblical theology, making it invaluable to anyone seeking to get the most out of their Bible study.

THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures. Notable features include:* commentary based on THE NEW INTERNATIONAL VERSION;* the NIV text printed in the body of the commentary;* sound scholarly methodology that reflects capable research in the original languages;* interpretation that emphasizes the theological unity of each book and of Scripture as a whole;* readable and applicable exposition.

The popular Life Application Bible Studies are now available in the New Living Translation. Each study provides an in-depth examination of a particular Bible book using the New Living Translation text and notes from the "Life Application Study Bible." Charts, maps, and thirteen lessons, complete with questions and notes, are sure to challenge all who enjoy an application-oriented approach to Bible study.

The Cornerstone Biblical Commentary series provides students, pastors, and laypeople with up-to-date, accessible evangelical scholarship on the Old and New Testaments. Presenting the message for each passage, as well as an overview of other issues relevant to the text, each volume equips pastors and Christian leaders with exegetical and theological knowledge so they can better understand and apply God 's Word. This volume includes the entire NLT text of 1 and 2 Chronicles. Mark J. Boda (Ph.D., University of Cambridge) has authored numerous articles and books in addition to editing several collections of scholarly essays on various topics related to the Old Testament and Christian Theology. He taught for nine years at Canadian Theological Seminary before joining McMaster Divinity College in 2003. Mark enjoys mentoring students and teaches with enthusiasm about the Old Testament and its continued relevance to the Christian life today.

The Cornerstone Biblical Commentary series provides up-to-date, evangelical scholarship on the Old and New Testaments. Each volume is designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God's Word by presenting the message of each passage as well as an overview of other issues surrounding the text. The commentary series has been structured to help readers understand the meaning of Scripture, passage-by-passage, through the entire Bible. The New Living Translation is an authoritative Bible translation, rendered faithfully into today's English from the ancient texts by 90 leading Bible scholars. The NLT's scholarship and clarity breathe life into even the most difficult-to-understand Bible passages—but even more powerful are stories of how people's lives are changing as the words speak directly to their hearts. That's why we call it " The Truth Made Clear. " William Barnes (ThD, Harvard Divinity School) has worked extensively in the Historical books of the OT, published several commentaries and scholarly articles, and is a contributor to Biblica: The Bible Atlas. His interests include OT history and chronology as well as narrative and poetic structure and sequencing in the Hebrew Bible and the NT. He served as a member of the NLT Translation Team for 1–2 Kings.
