such as Princess Diana and Prince Harry. Graphics illuminate details of the queen's personal and private life, vivid photographs highlight important events, special features showcase the royal residences, and timelines untangle the complete history of the kings and queens of England and Scotland, tracing the line of succession to the throne. This gorgeous ebook is the most complete visual history of Britain's most enduring icon, Queen Elizabeth II, and the royal family.

Many years back, stamp collecting was an extra-curricular activity of school kids around the world. Modern technology was thought to have killed this hobby due to the decrease in the usage and demand of postage stamps. Out of surprise, this turned out to be untrue. Out of 60 million stamp collectors around the world, one third come from China. Wealthy Chinese are now beginning to buy back their heritage on a massive scale. Investors are laughing their way to the bank with significant gains on their China stamp portfolio. This book reveals everything you need to know about China stamps and how to build a solid collection for potential future liquidation.

This book takes readers back and forth through time and makes the past accessible to all families, students and the general reader and is an unprecedented collection of a list of events in chronological order and a wealth of informative knowledge about the rise and fall of empires, major scientific breakthroughs, groundbreaking inventions, and monumental moments about everything that has ever happened.
