Anyone who owns a Suzuki 4x4, and wonders what it is REALLY capable of, needs this book. It illustrates in intimate detail, with the aid of 175 colour photographs and diagrams, what each model can do and how to modify it in stages to maximise its off-road potential. The book also covers practical factors, such as choice of tyres, gearing selection and modification for various purposes. In addition, it explores the history and evolution of the marque and sets out the skills required to carry out the various

pleasing results, including preventing and properly treating potential complications of filler usage. Clearly organized by anatomy, the book discusses the specific analysis, diagnosis, and treatment for the upper face, midface, lower face and neck, hands, and the torso (after liposuction). It is an excellent introduction for novices performing volume restoration procedures and an invaluable guide to novel techniques and advanced procedures for experienced physicians.

By 250 AD, Christianity had spread throughout India and

China. Known as the Shining Religion or the Luminous Teaching, it drew adherents from Buddhism and Hinduism who were seeking a faith that taught the possibility of achieving a society founded on love and compassion for their fellow man. The new doctrine reached the island nation of Japan where it was so well received that Christianity threatened to supplant Buddhism as the dominant religion. By the close of the 16th century Japanese Christians numbered in the millions. Fifty years later Christianity was officially proscribed and Christians faced execution for openly
