## Mercedes

Principles of Water Treatment has been developed from the best selling reference work Water Treatment, 3rd edition by the same author team. It maintains the same quality writing, illustrations, and worked examples as the larger book, but in a smaller format which focuses on the treatment processes and not on the design of the facilities.

Covers in detail most of the servicing and repair of the Dodge/Mercedes-Benz Sprinter Van and Camper Diesel models 2151cc and 2686cc engines with model identification

daring identity switch in this contemporary classic from the #1 New York Times bestselling author of the Sisterhood series. Atlanta police detective Aggie Jade is still recovering from the raid that nearly killed her and took the life of her partner and former boyfriend. Though she's not ready to hit the streets again, she's desperate to hunt down the cop killers who shattered her world. But there's only one person who can help her in her quest for vengeance—her identical twin sister. Lizzie Jade is as flashy and fiery as Aggie is quiet and conservative—and the high-

rolling Vegas gambler loves a challenge. But the gutsy charade gets complicated when sexy investigative reporter Nathan Hawke senses something different about the new Aggie, especially since she suddenly isn't shying away from his flirtations. As they join forces to uncover a web of lies and corruption, Lizzie finds herself giving in to his charms. But how can she confess that she's not who he thinks she is? And how can she let herself fall in love when she and her twin might have to run for their lives? With her signature "real and endearing" (Los Angeles Times) prose and
