The automobile industry is evolving rapidly on a worldwide basis. Manufacturers are merging, component design and manufacture are now frequently outsourced instead of being created in-house, brands are changing and the giant auto makers are expanding deeper into providing financial services to car buyers. The skyrocketing price of gas spurs developments in hybrid technology and clean diesel, as manufacturers look for ways to improve fuel efficiency. Meanwhile, all of the biggest, most successful firms have become totally global in nature. Plunkett's Automobile Industry Almanac will be your complete guide to this immense, fascinating industry. On the car dealership side, giant, nationwide holding companies have acquired the best dealers in major markets. Even the used car business is being taken over by national chains. E-commerce is having profound effects on the car industry. Consumers use the Internet to become better informed before making a purchase. Online sites like Autobytel steer millions of car buyers toward specific dealers while the same sites deliver competing bids for cars, insurance and financing in a manner that lowers costs and improves satisfaction among consumers. Meanwhile, auto makers are using the latest in e-commerce methods to manage their supply chains and replenish their inventories. This exciting new book (which includes a database on CD-ROM) is a complete reference tool for everything you need to know about the car, truck and specialty vehicles business, including: Automotive industry trends and market research; Mergers, acquisitions, globalization; Automobile manufacturers; Truck makers; Makers of specialty vehicles such as RVs; Automobile loans, insurance and other financial services; Dealerships; Components manufacturers; Retail auto parts stores; E-commerce; and much, much more. You'll find a complete overview, industry analysis and market research report in one superb, value-priced package. This book also includes statistical tables, an automobile industry glossary, industry contacts and thorough indexes. The corporate profile section of the book includes our proprietary, in-depth profiles of the 400 leading companies in all facets of the automobile industry. Purchasers may also receive a free copy of the company profiles database on CD-ROM.

Are you in control of your financial destiny? Is your financial house a fortress of calm and stability even in a time of global economic storm? Easy Money gives you the tools and confidence to be your own financial boss. Handling money is akin to putting together a gigantic jigsaw puzzle it requires visualizing and assembling numerous tiny pieces. Regardless of your earnings, you can be your own boss by: spending like millionaires; getting loans on your own terms; having an edge over your peers in education; having the gift to spot business opportunities; buying the right securities and selling at the right time; understanding the intricacies of real estate transactions; keeping your body and teeth in shape to stay out of health clinics; being conscious of what you spend on transportation; and starting early to incubate your nest egg. Yes! Putting together a high net worth cash position takes work. And Easy Money is there to help. Phenomenal wealth is accumulated by those who have the right knowledge the knowledge that creates wealth.

Like it or not, the automobile industry is now and will remain an overwhelming factor in the lives of most people - if not an owner and driver, then as a pedestrian or a breather of air, which is being polluted by the gas-guzzling and vile-air belching monsters created for our individual hedonistic pleasure. This book presents issues of current interest to those who cannot ignore their presence.

Presents the latest safety ratings, dealer prices, fuel economy, insurance premiums, maintenance costs, and tires of new model automobiles.

The ultimate used car buyer's guide introduces readers to helpful techniques, strategies, and tips for finding the best used vehicle while providing profiles and ratings for more than 250 cars, trucks, SUVs, and minivans, as well as crash-test data, safety features, reliability history, and listings of recalls. Original. 200,000 first printing.

All models.

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.
