A definitive account of the popular Ducati Desmodue - the reliable, affordable, high-performance motorcycle range that boasts one of the most successful Italian motorcycles of all time, the Ducati Monster, and is still in development today. Including full production histories, comprehensive specification details and owners' experiences, this new book covers the history of Ducati and the rise of the brand in the 1970s and Grand Prix racing with Fabio Taglioni's desmodromic valve engine design. The world-beating TT2 and TT1 racers are covered along with the best-selling Ducati Monster, the Desmodue 900SS and the SportClassic range. With the Scrambler, and new Ducati factories in Thailand and Brazil, the Desmodue story is brought right up to date - a story based a wonderful corner of Italy, some very special motorcycles and the astonishing people who made it all happen. Fully illustrated with 211 colour photographs.

Krause Publications' Standard Catalog series is available by specific marque, in individual volumes or a set. Each book contains in-depth profiles of specific makes by model, factory photos, and up-to-date vehicle pricing. The I-to-conditional pricing system assures readers of accurate values, whether a vehicle is a #1 low-mileage, rust-free beauty or a #6 parts-only heap. "Techs & specs", original factory prices, production and serial numbers, and engine/chassis codes are noted by model, thus helping you determine authenticity accuracy. Historical, technical and pricing information are combined from hundreds of sources. James Flammang values each model according to the popular 1-6 grading system invented by Old Cars magazine.

Trucking Capital LLC has expanded to offer a number of business finance products and can help companies in most industries. Trucking Capital LLC is one of the few companies that offers micro-factoring (also called small-ticket factoring), which helps early-stage companies with limited revenues. Small business factoring has been ignored by larger factoring firms and banks, establishing Mr. Terry as a pioneer in this market. Before starting his career in finance, Mr. Stimson held several management positions in operations and marketing in the telecommunications industry for eight years. He earned a Master ' s Degree in Finance with a concentration in banking. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.
