Newman's latest recalls the Charlotte Zolotow classic William's Doll. Here, however, Newman shifts perspective, centering her story on a girl, Ruthie, and her grandmother, who tries to get her fire-truck-and-motorcycle-loving granddaughter excited about dolls and dress-up. In Moore's watercolor vignettes and framed panels, readers see Ruthie's dilemma—Nana hugs her old dolls while ...

one, life has been one indignity after another. If he's not being used as a hankie, he's being hung out to dry—literally. (No one likes clothespins used on their ears!) This teddy is sneaking away just as soon as he can. Then again, no use running off in the rain . . . or during a show-and-tell routine. Maybe Louis has something to lose, after all. This fresh and funny take on a teddy bear come to life is a salty and sweet, grumpy and tender, sly tribute to the ties that bind.

Daughter depicts the struggles of Lydia Pinkowitz to communicate the realities of her life as a lesbian, as a feminist scholar, and as the woman she has become to her mother Doris. After years of hoping to attain her mother's love and acceptance while struggling to live a true and honest life, Lydia eventually acknowledges her mother will never really see her. When Doris develops a life-threatening illness, Lydia is forced to make a life-and-death decision of her own: should she make one final attempt to heal her relationship with her mother or simply let her go?

was first published in 1939, Mike Mulligan and His Steam Shovel has delighted generations of children. Mike and his trusty steam shovel, Mary Anne, dig deep canals for boats to travel through, cut mountain passes for trains, and hollow out cellars for city skyscrapers -- the very symbol of industrial America. But with progress come new machines, and soon the inseparable duo are out of work. Mike believes that Mary Anne can dig as much in a day as one hundred men can dig in a week, and the two have one last chance to prove it and save Mary Anne from the scrap heap. What happens
