A powerful novel of a family haunted by the aftershocks of the Vietnam War—from the Pulitzer Prize-winning author of *A Good Scent from a Strange Mountain*. “You share a war in one way. You pass it on in another.” Passionate student activism brought Robert Quinlan together with his future wife during the tumultuous years of the Vietnam War. But since then, the long-married Florida university professors have grown apart. Their crumbling relationship is mirrored by Robert’s estrangement from his brother . . . alienated by the same controversial war. Now, with their father—a World War II veteran—lying close to death, the rift in the family is sorely tested when Robert’s brother refuses to put the past aside and return to say goodbye. And when Robert mistakes a homeless stranger for a fellow Vietnam veteran, his unstable presence in their lives will further

stir the emotional scars that shattered the Quinlan men . . . and take its toll on those they love most. “Butler’s Faulknerian shuttling back and forth across the decades has less to do with literary pyrotechnics than with cutting to the chase. Perfume River hits its marks with a high-stakes intensity . . . Butler’s prose is fluid, and his handling of his many time-shifts as lucid as it is urgent. His descriptive gifts don’t extend just to his characters’ traits or their Florida and New Orleans settings, but to the history he’s addressing.” –Michael Upchurch, New York Times Book Review

“Butler moves easily among his characters to create a composite portrait of a family that has been wrecked by choices made during the Vietnam War.” –Beth Nguyen, San Francisco Chronicle

“The story builds its force with great care . . . Its power is that we want to keep reading. The entire journey is masterfully rendered, Butler lighting a path back into the cave, completely unafraid.” –Benjamin Busch, Washington Post

A 115-year-old man lies on his deathbed as the 2016 election results arrive, and revisits his life in this moving story of love, fatherhood, and the American century from Pulitzer Prize winner Robert Olen Butler. A visionary and poignant novel centered around former newspaperman Sam Cunningham as he prepares to die, *Late City* covers much of the early twentieth century, unfurling as a conversation between the dying man and a surprising God. As the two review Sam's life, from his childhood in the American South and his time in the French trenches during World War I to his fledgling newspaper career in Chicago in the Roaring Twenties and the decades that follow, snippets of history are brought sharply into focus. Sam grows up in Louisiana, with a harsh father, who he comes to resent both for his physical abuse and for what Sam eventually perceives as his flawed morality. Eager to escape and prove himself, Sam enlists in the army as a sniper while still underage. The hardness his father instilled in him helps him make it out of World War I alive, but, as he recounts these tales on his deathbed, we come to realize that it also prevents him from contending with the emotional wounds of war.

Back in the U.S., Sam moves to Chicago to begin a career as a newspaperman that will bring him close to all the major historical turns of the twentieth century. There he meets his wife and has a son, whose fate counters Sam's at almost every turn. As he contemplates his relationships—with his parents, his brothers in arms, his wife, his editor, and most importantly, his son—Sam is amazed at what he still has left to learn about himself after all these years in this heart-rending novel from the Pulitzer Prize winner.

Set in contemporary New Orleans but working its way back in time, *A Small Hotel* chronicles the relationship between Michael and Kelly Hays, who have decided to separate after twenty-four years of marriage. The book begins on the day that the Hays are to finalize their divorce. Kelly is due to be in court, but instead she drives from her home in Pensacola, Florida, across the panhandle to New Orleans and checks into Room 303 at the Olivier House in the city's French Quarter—the hotel where she and Michael fell in love some twenty-five years earlier and where she now finds herself about to make a decision that will forever affect her, Michael, and their nineteen-year-old daughter, Samantha. An intelligent, deeply moving, and remarkably written portrait of a relationship that reads as a

cross between a romance novel and a literary page turner, *A Small Hotel* is a masterful story that will remind readers once again why Robert Olen Butler has been called the “best living American writer” (Jeff Guinn, Fort Worth Star-Telegram).

“A novel that explores the darker side of human nature while making you laugh so hard iced tea almost comes out your nose” (Tampa Tribune). One of American literature’s brightest stars and author of the Pulitzer Prize-winning *A Good Scent from a Strange Mountain* reimagines the underworld in an uproarious novel. Its main character, Hatcher McCord, is an evening news presenter who has found himself in Hell and is struggling to explain his bad fortune. He’s not the only one to suffer this fate—in fact, he’s surrounded by an outrageous cast of characters, including Humphrey Bogart, William Shakespeare, and almost all of the popes and most of the US presidents. The question may be not who is in Hell but who isn’t. McCord is living with Anne Boleyn in the afterlife but their happiness is, of course, constantly derailed by her obsession with Henry VIII (and the removal of her head at rather inopportune moments). One day McCord meets Dante’s Beatrice, who believes there is a way out of Hell, and the next morning, during an exclusive on-camera interview with Satan, McCord realizes that Satan’s omniscience, which he has always

credited for the perfection of Hell's torments, may be a mirage—and Butler is off on a madcap romp about good, evil, free will, and the possibility of escape. Butler's depiction of Hell is original, intelligent, and fiercely comic, a book Dante might have celebrated. "I'll never stop believing it: Robert Olen Butler is the best living American writer, period." —Jeff Guinn, Fort Worth Star-Telegram

A US war correspondent is plunged into the Mexican civil war in “a whip-smart tale of intrigue and espionage” by the Pulitzer Prize winner (CNN.com). Undaunted by enemy territory and sweltering heat, Christopher “Kit” Marlowe Cobb, the fearless American newspaper journalist, has arrived in Mexico in the spring of 1914. The country is rocked by civil war, the American invasion of Vera Cruz, and the controversial presidency of Victoriano Huerta, El Chacal (The Jackal). Marlowe thinks he's found his first big headline in the attempted assassination of a priest—the bullet miraculously rebounding off the holy man's cross. Employing a young pickpocket to help him uncover the identity of the sniper, Cobb is soon led into a far more dangerous story: the advancement of German officials coming into the city from ammunition ships docked in the port. Then, when Cobb falls for a young Mexican laundress, he believes he's found a soft respite from hard news. If only she were as innocent as she

seems. A sweeping saga of espionage, suspense, action, and love set at the dawn of World War I, Robert Olen Butler kick-starts his rousing series with *Hot Country*, “a thinking person’s thriller, the kind of exotic adventure that, in better days, would have been filmed by Sam Peckinpah” (The Washington Post, Best Books of 2012). “Pancho Villa, fiery señoritas, and Germans up to no good—Robert Olen Butler is having fun . . . and readers will too. An intelligent entertainment with colorful history.” —Joseph Kanon, New York Times—bestselling author of *The Good German* “[A] high-spirited adventure.” —The New York Times Book Review “Intrigue in the grand old style . . . Going off to war with Kit Cobb is as bracing and fun as it used to be in George MacDonald Fraser’s *Flashman* books, or in Perez-Reverte’s *Captain Alatriste* novels. And the best part is that there are more to come. Saddle up.” —Dan Fesperman, Hammett Prize-winning author of *The Double Game*

Now available in an elegant paperback, Robert Olen Butler's acclaimed collection, *Severance*, depicts the final thoughts of people as they are losing their heads. Celebrated as 'glorious' (Los Angeles Times), these fascinating stories reveal 'the limitless will of the author's imagination' (New York Times). The Pulitzer Prize-winning author's "strange and finally beautiful tale about obsession and modern love" (Beth Kephart, *The Baltimore Sun*). *Fair Warning* is acclaimed novelist Robert Olen Butler's enthralling glimpse into a Manhattan auction house that caters to the shopping pheromones of the rich and powerful. At age forty, the company's charismatic star employee, Amy Dickerson, is capable of selling a Renoir painting of a pudgy nude for twice its value. Her customers are intoxicated by the objects they covet. And sometimes, such as when the dark and mysterious Trevor locks eyes with Amy as she closes an auction with "fair warning," that object is Amy herself. Selected as a Book Sense 76 title and as a *New York Times* Summer Reading title, *Fair Warning* "is as frank and sassy as its heroine" (Amanda Heller, *The Boston Globe*). "Fair Warning deserves our praise, but its author also deserves our gratitude, for his continued risk-taking and stubbornly singular sensibility." –Todd Kliman, *The Washington Post*
