“A Higher Call exemplifies beautifully the brotherhood of warriors and will forever change how you look at World War II.”—Eric Blehm, author of the New York Times bestseller, Fearless “Can good men be found on both sides of a bad war?

Amazon.com: A Higher Call: The Incredible True Story of ...
This is a great story. Even though the "higher call" climax is just one chapter, Franz's life and history with the German Luftwaffe was incredible to hear and really does give pause to the overall Germans-all-bad, Americans-all-good ideas of that time. I wish we had more tales from the German point of view spoken in English.

"A Higher Call exemplifies beautifully the brotherhood of warriors and will forever change how you look at World War II." --Eric Blehm, New York Times bestselling author "From the horrors of the most savage war in history emerges this beautiful story of a brotherhood between enemies.

A Higher Call: The Incredible True Story of Heroism and ...
A Higher Call: The Incredible True Sroy of Heroism and Chivalry During the Second World War. Adam Makos, Larry Alexander. Atlantic Books, Limited, 2013 - Bomber pilots - 392 pages. 2 Reviews. Five days before Christmas 1943, a badly damaged American bomber struggled to fly over wartime Germany. At its controls was a twenty-one-year-old pilot.

A Higher Call: The Incredible True Sroy of Heroism and ...
A Higher Call follows both Charlie and Franz's harrowing missions. Charlie would face takeoffs in English fog over the flaming wreckage of his buddies' planes, flak bursts so close they would light his cockpit, and packs of enemy fighters that would circle his plane like sharks.

Tells the true story of two World War II airmen, one American and one German, who put aside the conflict and helped each other to safety in the wake of a damaged aircraft and describes their meeting again 47 years later. 35,000 first printing.

This title tells the story of two fighter pilots, an American and a German, whose remarkable encounter during World War II became the stuff of legend.

A tribute to World War II heroism from the national bestselling author of Biggest Brother. The paratroopers of Easy Company, 101st Airborne Division, have come to symbolize the incredible bravery and heroism shown by the greatest generation in World War II. on the eve of the 65th anniversary of the Allies' victory in Europe, author Larry Alexander crosses an ocean and a continent to discover just what made the Band of Brothers special. Accompanied by his friend Forrest Guth, an easy Company veteran on his final tour in Europe, Alexander explores the living history of the places where American soldiers went into action, and reveals what makes this story so meaningful for us today. Part travelogue, part historical perspective, In the Footsteps of the Band of Brothers is an unforgettable memorial to the men who fell in action, and a tribute to the veterans who are still with us.

THE NEW YORK TIMES, WALL STREET JOURNAL, LOS ANGELES TIMES, AND USA TODAY BESTSELLER “A band of brothers in an American tank . . . Makos drops the reader back into the Pershing’s turret and dials up a battle scene to rival the peak moments of Fury.” —The Wall Street Journal From the author of the international bestseller A Higher Call comes the riveting World War II story of an American tank gunner’s journey into the heart of the Third Reich, where he will meet destiny in an iconic armor duel—and forge an enduring bond with his enemy. When Clarence Smoyer is assigned to the gunner’s seat of his Sherman tank, his crewmates discover that the gentle giant from Pennsylvania has a hidden talent: He’s a natural-born shooter. At first, Clarence and his fellow crews in the legendary 3rd Armored Division—“Spearhead”—thought their tanks were invincible. Then they met the German Panther, with a gun so murderous it could shoot through one Sherman and into the next. Soon a pattern emerged: The lead tank always gets hit. After Clarence sees his friends cut down breaching the West Wall and holding the line in the Battle of the Bulge, he and his crew are given a weapon with the power to avenge their fallen brothers: the Pershing, a state-of-the-art “super tank,” one of twenty in the European theater. But with it comes a harrowing new responsibility: Now they will spearhead every attack. That’s how Clarence, the corporal from coal country, finds himself leading the U.S. Army into its largest urban battle of the European war, the fight for Cologne, the “Fortress City” of Germany. Battling through the ruins, Clarence will engage the fearsome Panther in a duel immortalized by an army cameraman. And he will square off with Gustav Schaefer, a teenager behind the trigger in a Panzer IV tank, whose crew has been sent on a suicide mission to stop the Americans. As Clarence and Gustav trade fire down a long boulevard, they are taken by surprise by a tragic mistake of war. What happens next will haunt Clarence to the modern day, drawing him back to Cologne to do the unthinkable: to face his enemy, one last time. Praise for Spearhead “A detailed, gripping account . . . the remarkable story of two tank crewmen, from opposite sides of the conflict, who endure the grisly nature of tank warfare.” —USA Today (four out of four stars) “Strong and dramatic . . . Makos established himself as a meticulous researcher who’s equally adept at spinning a good old-fashioned yarn. . . . For a World War II aficionado, it will read like a dream.” —Associated Press

This title tells the story of two fighter pilots, an American and a German, whose remarkable encounter during World War II became the stuff of legend.

THE NATIONAL BESTSELLER • SOON TO BE A MAJOR MOTION PICTURE • From America’s “forgotten war” in Korea comes an unforgettable tale of courage by the author of A Higher Call. Devotion tells the inspirational story of the U.S. Navy’s most famous aviator duo, Lieutenant Tom Hudner and Ensign Jesse Brown, and the Marines they fought to defend. A white New Englander from the country-club scene, Tom passed up Harvard to fly fighters for his country. An African American sharecropper’s son from Mississippi, Jesse became the navy’s first black carrier pilot, defending a nation that wouldn’t even serve him in a bar. While much of America remained divided by segregation, Jesse and Tom joined forces as wingmen in Fighter Squadron 32. Adam Makos takes us into the cockpit as these bold young aviators cut their teeth at the world’s most dangerous job—landing on the deck of an aircraft carrier—a line of work that Jesse’s young wife, Daisy, struggles to accept. Deployed to the Mediterranean, Tom and Jesse meet the Fleet Marines, boys like PFC “Red” Parkinson, a farm kid from the Catskills. In between war games in the sun, the young men revel on the Riviera, partying with millionaires and even befriending the Hollywood starlet Elizabeth Taylor. Then comes the war no one expected, in faraway Korea. Devotion takes us soaring overhead with Tom and Jesse, and into the foxholes with Red and the Marines as they battle a North Korean invasion. As the fury of the fighting escalates and the Marines are cornered at the Chosin Reservoir, Tom and Jesse fly, guns blazing, to try and save them. When one of the duo is shot down behind enemy lines and pinned in his burning plane, the other faces an unthinkable choice: watch his friend die or attempt history’s most audacious one-man rescue mission. A tug-at-the-heartstrings tale of bravery and selflessness, Devotion asks: How far would you go to save a friend? Praise for Devotion “Riveting . . . a meticulously researched and moving account.”—USA Today “An inspiring tale . . . portrayed by Makos in sharp, fact-filled prose and with strong reporting.”—Los Angeles Times “[A] must-read.”—New York Post “Stirring.”—Parade “A masterful storyteller . . . [Makos brings] Devotion to life with amazing vividness. . . . [It] reads like a dream. The perfectly paced story cruises along in the fast lane—when you’re finished, you’ll want to start all over again.”—Associated Press “A delight to read . . . Devotion is a story you will not forget.”—The Washington Times “My great respect for Tom Hudner knows no bounds. He is a true hero; and in reading this book, you will understand why I feel that way.”—President George H. W. Bush “This is aerial drama at its best—fast, powerful, and moving.”—Erik Larson, New York Times bestselling author of Dead Wake “Though it concerns a famously cold battle in the Korean War, make no mistake: Devotion will warm your heart.”—Hampton Sides, New York Times bestselling author of Ghost Soldiers and In the Kingdom of Ice “At last, the Korean War has its epic, a story that will stay with you long after you close this book.”—Eric Blehm, New York Times bestselling author of Fearless and Legend

Based on interviews with veterans and unpublished memoirs tells the true stories of twenty marines during World War II, from the attacks on Pearl Harbor through Guadalcanal, Okinawa, and their return home after V-J Day. 40,000 first printing.

Considers how soldiers through the ages have met their deaths in times of war, covering such subjects as weapons and battlefield strategies while offering insight into cultural differences and the nature of military combat.

Based on hundreds of hours of interviews with Sneum, Mark Ryan describes how Tommy made an incredible escape from Denmark in a battered old Hornet Moth aircraft - which he had to refuel in mid-air by climbing out on the wing. Later, he escaped from Denmark again - by walking across a treacherous frozen sea on which two of his companions died. Tommy brought over precious intelligence about the Nazi radar installations in Denmark and their atom bomb - his reward was to be imprisoned in Brixton as a suspected double agent and threatened with execution. He cheated the hangman - but it is only with the publication of this enthralling book that Sneum can be celebrated as, in the words of Professor R.V. Jones, Churchill's chief of scientific intelligence, 'one of the true heroes of World War II'.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "A Higher Call: An Incredible True Story of Combat and Chivalry in the War-Torn Skies of World War II." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.
