From Kevina Hopkins comes a new, gripping, urban romance, King & Armani, a hood love story that'll leave you speechless. Armani Wilkins became an instant believer in lust at first sight, the moment she laid eyes on Quincy 'King' McCall. The chemistry between the two couldn't be denied, and Armani didn't try to fight it. Unfortunately, Armani starts their relationship off on the wrong foot and finds herself telling lie after lie to cover herself. When a life-changing event occurs in Armani's life, and her mother hits her with an ultimatum, Armani does what she thinks is best for her. She tells

yet another lie and sets ahead on a journey to Atlanta-leaving her Chicago life and King behind. King was left lost, confused, and forced to pick up the pieces of his life and start over, without Armani. After years of being gone from the Chi, Armani thinks it's safe to return for a visit. Upon her return she runs into King, and every secret she's kept hidden is brought to the surface. This causes her to have to relive the years she tried so hard to hide. Both Armani and King thought the feelings they had for each other were gone until they are back in the presence of one another. The walls Armani built over the last four years were instantly torn down in one two-week visit. When her secrets are revealed, she is forced to pull up her big girl pants and do what's right for everyone involved, including her heart. Will King ever be able to forgive Armani for her secrets? Or will she be forced to live without her love again? Take

urban romance series. This drama filled novel, Team Us: A Hood Love Story, will have you hooked from the first page until the very last. When a woman has been broken by a man once or twice, possibly even more, it's hard for her to keep on believing, wishing, or even wanting to have love or be in love. Love can be a curse or a blessing to a woman, and figuring out which one it can be after a heartbreak tends to be too much of a risk to figure out all over again. Sage Lovett is a twenty-two-year-old single mother of twins that has the word Love spelled out in her last name but doesn't believe that she'll ever be a woman that truly falls in love. Her traumatic and inescapable past has turned her into a hardened woman. She rarely trusts anyone, especially not with her heart. She made a promise to herself at a young age that she'll never again give a man the key to her heart or depend on anyone when she's capable

of doing everything on her own, struggling or not. That's at least her mindset before Chance Cooley steps into her life and makes her reconsider that once promise she swore never to break. Chance Cooley is a man that had his whole life planned out; however, when his entire future crashes over a lie at the age of eighteen, it landed him in a cell in prison. After too many years of his life lost, he has to step back into the world, adjusting and building himself back up at the age of twenty-five. Sage and Chance come across each other, and they immediately catch one another's attention, whether it's for better or worse. Both of them don't have their minds set on a relationship or even love. But their undeniable connection gravitates them to each other. Sometimes the heart wants what the heart wants. Their hearts are calling out for one another, and neither of them is letting up. What will happen when these two put their trust

18- year old Cioni CiCi Lee was just your ordinary around the way girl. With a young mother for an example, Cioni was easily influenced by the neighborhood and things going on around her. Her and her best friends Ali, and Madden loved chilling on the stoop, attending house parties, and just doing the regular teenage things. Growing up in the hood with messed up parents was the one thing that brought them all together. Products of their environments, each girl is forced to figure their way through life, not every choice a good one. Even with their circumstances, Ali, Madden, and Cioni all have a bond was always unbreakable, and

nothing could and would ever come between them. Not even boys...well...There was one boy... one who is now a man and the man in the streets-Knowledge. Cioni had always had her eyes on him, but Madden was always the bold one and had eventually scored him first. Cioni was always the one that was overlooked due to her shy girl ways and not knowing her beauty and worth. She was always in last place, but what she doesn't know was that she was actually the hood's gem.Knowledge "Ledge" Armstrong; at an early age always knew that he was a king. With his brother Wisdom Wiz" Armstrong and cousin Major Armstrong by his side, the heroin game was readily theirs for the taking. With a knack for hustling and swagger out of this world, Ledge manages to move him and his family out of the hood, eventually bringing his girlfriend Madden along all off the strength of his hustle. Life is sweet, and then life has

its problems especially when money is involved. Soon, Ledge quickly realizes that the girl he picked out the crowd was the wrong one and now has his eyes set on Cioni. With Cioni refusing to break the girl code, Ledge stops at nothing to have her. It doesn't take long before he has her so deep in her feelings, and unable to escape them. With the two of them having love, and optimism nothing could come between them, right? But when reality of their consequences are brought to the light, will it be enough to break them apart? Ali Morris was dealt a bad hand like a lot of kids around the way. Her mother a junkie, and her father absent, Ali only knew to get it by any means necessary. Her by any means necessary lands her in a predicament that ultimately has her back against the wall. Forced to make a decision to choose her life or HIS, she definitely chooses hers. Choosing her life sent her spiraling out of control with

only one thing that could save her...love. Love from Wisdom comes at just right the time, but will it be enough to keep her from going down a path of destruction.

Diamond is at a point in her life where she realizes that her long-standing relationship is the sham everyone says it is. After getting fed up with her boyfriend Jakari's ways, she's not looking for love. All she wants to do is put in work to help her interior design brand grow. However, Diamond isn't looking for a new relationship. Her priorities change when she responds to an inquiry about a design job that can change her company for the better and her life. Legend and Justin came in the game together and now run things with precision. However, when it comes to light that the one person they both trust with their lives is holding on to secrets that could either

kill them or have them both serving double-digit years in prison, they face some tough decisions. Either they stand by their code or give a pass to someone they look up to for doing the unthinkable. Now that the weight of the world is on their shoulders, neither of them has the time to think about starting a relationship with anyone. Their primary focus is to handle the street dilemma that they now have to rectify. What happens when you meet the one person you could see a future with, but the timing is all wrong? They say love comes when you least expect it. But it can also come when you're in the midst of a fight for your life and freedom. What will Legend and Justin do? Will they allow love into their world? Or will they put it on the back burner until their street issues are done? Some meetings aren't by chance or coincidence. People cross your path because they are supposed to.
