A collection of annotated illustrations depicting examples of regional attire throughout history.

A collection of annotated illustrations depicting approximately four thousand examples of regional attire throughout history

Introduction in English, German, French, Italian, Spanish, Japanese, and Chinese.

Ranging from the elegant garments worn by citizens of ancient Egypt, Greece, and Rome to the dramatic clothing of nineteenth-century French, English, and German societies, this stunning pictorial encyclopedia chronicles the full sweep of historic dress through the centuries. Carefully gathered from a rare portfolio originally published in 1906, over one thousand detailed engravings are presented here in a continuous chronological format. An unparalleled history of costume design, this collection includes the garb of kings and laborers ... ladies and warriors ... peasants and priests. Scores of accessories are also illustrated, including shoes, jewelry, wigs, and hair ornaments, along with furniture, musical instruments, and weaponry from a fascinating array of time periods. Exquisitely

Read Online A Pictorial History Of Costume From Ancient Times To The Nineteenth Century With Over 1900 Illustrated Costumes Including 1000 In Full Color Max Tilke

rendered and magnificent in scope, the Pictorial Encyclopedia of Historic Costume is a visual delight for designers, artists, historians, and everyone captivated by fashion's timeless allure.

In the 1870s and 1880s, noted artist, art and costume historian Auguste Racinet (1825-1893) edited a multivolume series documenting the history of world dress, furnishings and artifacts. The result was one of the most remarkable and comprehensive pictorial collections ever produced. Now 92 meticulously rendered full-color plates - nearly all those pertaining to Western clothing, 900-1800, in the rare, original edition of *Le Costume Historique* - have been superbly reproduced in the present volume and are available for the first time at an affordable price. Over 950 clearly detailed, costumed figures present a magnificent panorama of clothing styles worn in major countries of Western Europe over a thousand-year period - ranging from 9th-century civil, military and religious garb to the Empire look of feminine fashion in the early 1800s. Included are figures representative of a variety of social classes, professions and nationalities - from medieval warriors, noblemen and merchants to Spanish clerics and nobility, Italian courtiers, Polish merchants and French soldiers, high-born ladies and demure middle-class damsels. Costumes displayed are equally diverse: bizarrely ornamented helmets and jointed suits of armor from the Middle Ages; striped tights and flowing coats of the early 15th century; doublets, puffed sleeves, neck ruffs and tight bodices of the 16th century; wide collars, knee-length breeches and the newly introduced vest in the 17th century; and in the late 18th century, a change from courtly styles to country modes. This comprehensive treasury of copyright-free illustrations - suitable for a host of design projects - will delight not only students and historians of fashion design, commercial artists, illustrators and art lovers, but will prove an indispensable sourcebook for anyone interested in the history and evolution of Western dress.

A history of costume and fashion spanning the civilizations of ancient Greece and Egypt through nineteenth-century Europe, including the clothing, footwear, accessories, and hairstyles of individuals from all levels of society.

Over 1,450 costumed figures in clearly detailed engravings - from the dawn of civilization to the end of the 19th century. Features many folk costumes. Captions.

Classic pictorial history of fashion from around the world depicts costumes over the centuries, from ancient Egyptians wearing pleated loincloths to well-dressed Parisian ladies of the late 1800s. 57 color
