As Tudor England erupts following the death of Edward VI, can one young spy protect his queen? International best-selling author Sam Burnell takes us deep into the treacherous world of powerful monarchs, intrigue, murder, and treason with this magnificent new epic *A Queen's Spy*. In 1553, England is torn apart by religious conflict.

Meet Richard Fitzwarren - An anti-hero with a dubious past, questionable morals but unswerving loyalties Richard grinned and grasping his brother's wrist said, "Terrible apart and even worse together - that would make us a fine family moto. Et mirabilia absque pelius."Jack Fitzwarren, Richard's displaced bastard brother, seeks a place at his brother's side. Impulsive and hot headed, his attempts to gain his brother's acceptance and approval often end badly. Finally the brothers are brought head to head when Richard tries to foil a plot against Elizabeth I. Jack Fitzwarren, fearing his brother has died embarks on a reckless path, and whether or not Richard can save him remains to be seen. Branded a traitor to the Crown for helping to foil a plot to remove the Princess Elizabeth from the succession, now he will risk all to save her from a plot to snatch her from England. Protestant Reformers need a figurehead for their cause, and Elizabeth is it. They truly believe the Princess will be safer in Europe away from her sister Mary's cruel hand, but the lady does not want to go. Elizabeth knows her destiny lies with England, and Jack's lies with his brother - or so he hopes. PAGE UP AND ORDER

In the first volume of an exciting new series, bestselling author Alison Weir brings the dramatic reigns of England's medieval queens to life. The lives of England's medieval queens were packed with incidentallove, intrigue, betrayal, adultery, and warfare;but their stories have been largely obscured by centuries of myth and omission. Now esteemed biographer Alison Weir provides a fresh perspective and restores these women to their rightful place in history. Spanning the years from the Norman conquest in 1066 to the dawn of a new era in 1154, when Henry II succeeded to the throne and Eleanor of Aquitaine, the first Plantagenet queen, was crowned, this epic book brings to vivid life five women, including: Matilda of Flanders, wife of William the Conqueror, the first Norman king; Matilda of Scotland, revered as √the common mother of all England√; and Empress Maud, England's first female ruler, whose son King Henry II would go on to found the Plantagenet dynasty. More than those who came before or after them, these Norman consorts were recognized as equal sharers in sovereignty. Without the support of their wives, the Norman kings could not have ruled their disparate dominions as effectively. Drawing from the most reliable contemporary sources, Weir skillfully strips away centuries of romantic lore to share a balanced and authentic take on the importance of these female monarchs. What emerges is a seamless royal saga, an all-encompassing portrait of English medieval queenship, and a sweeping panorama of British history. Praise for Queens of the Conquest √Best-selling author [Alison] Weir pens another readable, well-researched English history, the first in a proposed four-volume series on England's medieval queens. . . . Weir's research skills and storytelling ability combine beautifully to tell a fascinating story supported by excellent historical research. Fans of her fiction and nonfiction will enjoy this latest work√Library Journal (starred review) √Another sound feminist resurrection by a seasoned historian. . . . Though Norman queens were largely unknowable, leave it to this prolific historical biographer to bring them to life. . . . As usual, Weir is meticulous in her research.√Kirkus Reviews

The Fitzwarren brothers are set on a quest to take back what belongs to them. Richard has lost everything to Andrew Kineer it seems, even his identity. Whether he will be able to reclaim it remains to be seen.Catherine finds herself uncomfortably close to Elizabeth and is forced to accompany her to court, a court full of watchful eyes and whispers. Christopher Morley soon makes the most of this opportunity, pressing Catherine to embroil herself further in his schemes. Available on Pre-Order

Full of passion and betrayal, murder and war, the first volume of an epic new series from bestselling historian Alison Weir, bringing five of England's medieval queens to life.A Daily TelegraphBook of the YearLove, murder, war, betrayalThis is the story of the five extraordinary queens who helped the Norman kings of England rule their dominions. Recognised as equal sharers in the royal authority, their story is packed with tragedy, high drama, even comedy. Heroines, villains, stateswomen, loversBeginning with Matilda of Flanders, who supported William the Conqueror in his invasion of England in 1066, and culminating in the turbulent life of the Empress Maud, whoc claimed to be queen of England in her own right and fought a bitter war to the end, the five Norman queens are revealed as hugely influential figures and fascinating characters. In Alison Weir's hands, these pioneering women reclaim their rightful roles at the centre of English history.

∇An impressive debut. Weir shows skill at plotting and maintaining tension, and she is clearly going to be a major player in the . . . historical fiction game.√The Independent I am now a condemned traitor . . . I am to die when I have hardly begun to live. Historical expertise marries page-turning fiction in Alison Weir's enthralling debut novel, breathing new life into one of the most significant and tumultuous periods of the English monarchy. It is the story of Lady Jane Grey∇the Nine Days' Queen∇ a fifteen-year-old girl who unwittingly finds herself at the center of the religious and civil unrest that nearly toppled the fabled House of Tudor during the sixteenth century. The child of a scheming father and a ruthless mother, for whom she is merely a pawn in a dynastic game with the highest stakes, Jane Grey was born during the harrowingly turbulent period between Anne Boleyn's beheading and the demise of Jane's infamous great-uncle, King Henry VIII. With the premature passing of Jane's adolescent cousin, and Henry's successor, King Edward VI, comes a struggle for supremacy fueled by political machinations and lethal religious fervor. Unabashedly honest and exceptionally intelligent, Jane possesses a sound strength of character beyond her years that equips her to weather the vicious storm. And though she has no ambitions to rule, preferring to immerse herself in books and religious studies, she is forced to accept the crown, and by so doing sets off a firestorm of intrigue, betrayal, and tragedy. Alison Weir uses her unmatched skills as a historian to enliven the many dynamic characters of this majestic drama. Along with Lady Jane Grey, Weir vividly renders her devious parents; her much-loved nanny; the benevolent Queen Katherine Parr; Jane's ambitious cousins; the Catholic √Bloody√ Mary, who will stop at nothing to seize the throne; and the protestant and future queen Elizabeth. Readers venture inside royal drawing rooms and bedchambers to witness the power-grabbing that swirls around Lady Jane Grey from the day of her birth to her unbearably poignant death. Innocent Traitor paints a complete and compelling portrait of this captivating young woman, a faithful servant of God whose short reign and brief life would make her a legend. BONUS: This edition contains an excerpt from Alison Weir's Mary Boleyn.

BONUS: This edition contains an excerpt from Alison Weir's Mary Boleyn. In this vibrant biography, acclaimed author Alison Weir reexamines the life of Isabella of England, one of history's most notorious and charismatic queens. Isabella arrived in London in 1308, the spirited twelve-year-old daughter of King Philip IV of France. Her marriage to the heir to England's throne was designed to heal old political wounds between the two countries, and in the years that followed she became an important figure, a determined and clever woman whose influence would come to last centuries. Many myths and legends have been woven around Isabella's story, but in this first full biography in more than 150 years, Alison Weir gives a groundbreaking new perspective.

Meet Richard Fitzwarren - An anti-hero with a dubious past, questionable morals but unswerving loyalties Jack Fitzwarren, Richard's displaced bastard brother, seeks a place at his brother's side. Impulsive and hot headed, his attempts to gain his brother's acceptance and approval often end badly. Finally the brothers are brought head to head when Richard tries to foil a plot against Elizabeth I. Can Jack murder his brother to save a woman he's never met? Will Richard accept his fate and fight? Or will he run? √It combines murder, mystery, and intrigue in a most masterful way.√ Rita Kroon - Author of "Letters from the Past" As Tudor England erupts following the death of Edward VI, can one young spy protect his queen? International bestselling author Sam Burnell takes us deep into the treacherous world of powerful monarchs, intrigue, murder, and treason with this magnificent new epic, *A Queen's Spy*. In 1553, England is torn apart by religious conflict. Power in England shifts precariously between Catholics and Protestants, royalty and commoners clash, testing friendship, loyalty, and brotherly love. Richard Fitzwarren, caught in the middle of a cruel family feud, wants nothing more than to make his own way in the world. A childhood friend of the Princess Elizabeth, he cannot forget his loyalty in her time of need. Pressured by her sister, Mary, Elizabeth's continued existence remains precarious throughout her reign. The divide between Catholic Mary and Anne Boleyn's Protestant daughter Elizabeth is a deep one. PAGE UP AND ORDER

The Plantagenet queens of England played a role in some of the most dramatic events in our history. Crusading queens, queens in rebellion against their king, queen seductresses, learned queens, queens in battle, queens who entwined England with the romantic culture of southern Europe - these determined women often broke through medieval constraints to exercise power and influence, for good and sometimes for ill. Alison Weir's ground-breaking history of the queens of medieval England now moves into a period of even higher drama, from 1154 to 1291- years of chivalry, dynastic ambition, conflict with the church, baronial wars, and the all-pervading bonds of feudalism. We see events such as the murder of Becket, Magna Carta and the birth of parliaments from a new perspective. Her narrative begins with the formidable Eleanor of Aquitaine, whose marriage to Henry II establishes a dynasty which rules for over three hundred years and creates the most powerful empire in western Christendom - but also sows the seeds for some of the most destructive family conflicts in history and for the collapse, under her son King John, of England's power in Europe. The lives of Eleanor's successors were just as remarkable- Berengaria of Navarre, queen of Richard the Lionheart, Isabella of Angoulame, queen of John, and Alienor of Provence, queen of Henry III, and finally Eleanor of Castile, the grasping but beloved wife of Edward I. Through the story of these first five Plantagenet queens, Alison Weir provides an enthralling new perspective on a dramatic period of high romance and sometimes low politics, with determined women at its heart.

Hearts and loyalties collide in this electrifying new YA series from New York Times bestselling author Jennifer A. Nielsen.

The queens of the fourteenth century come to life in this next volume of bestselling historian Alison Weir's epic series.
