Richard Matheson is The New York Times bestselling author of I Am Legend, Hell House, Somewhere in Time, The Incredible Shrinking Man, A Stir of Echoes, The Beardless Warriors, The Path, Seven Steps to Midnight, Now You See It . . . , and What Dreams May Come. A Grand Master of Horror and past winner of the Bram Stoker Award for Lifetime Achievement, he has also won the Edgar, the Hugo, the Spur, and the Writer’s Guild awards.

~~A Stir-of-Echoes-Matheson-Richard-9780765308719-Amazon----~~

First publishes in 1958, A Stir of Echoes is Richard Matheson’s third major work, the first two being the classic I Am Legend which guaranteed his literary immortality, and The Incredible Shrinking Man, the classic horror novel with a man racing against literally increasing odds.

~~A Stir-of-Echoes-by-Richard-Matheson—Goodreads~~

Richard Matheson, author of such well-known titles as I Am Legend and The Incredible Shrinking Man, is a masterful storyteller and his mad skillz are on full display in this 1958 suspense piece titled A Stir of Echoes, which takes its name from the “Chambers of Imagery,” a haunting poem by Archibald Macleish—“A music and an eerie faint carouse, And stir of echoes down the creaking floor.”

~~A Stir-of-Echoes—Kindle-edition-by-Matheson-Richard----~~

I saw the movie based on this book (Stir of Echoes) first and wanted to complete the experience by reading the original novel. Richard Matheson is a wonderful author and conveys feeling and tone very effectively in his work. Although written in the 50’s the story has a contemporary feel with only a few nods to the time period it takes place.

~~A Stir-of-Echoes-(Library-Edition)-Richard-Matheson----~~

This eerie ghost story, from Richard Matheson, the award-winning author of Hell House and I Am Legend, inspired the acclaimed 1999 film starring Kevin Bacon. Tom Wallace lived an ordinary life, until a chance event awakened psychic abilities he never knew he possessed.

~~A Stir-of-Echoes | Richard-Matheson | Macmillan~~

A Stir of Echoes is a supernatural novel by American writer Richard Matheson, published in 1958. It served as the inspiration for the 1999 film Stir of Echoes. Plot synopsis. Tom Wallace lived an ordinary life, until a chance event awakened psychic abilities he never knew he possessed.

~~A Stir-of-Echoes-by-Richard-Matheson-Paperback—Barnes----~~

I won't be satisfied until I've read every single word that Richard Matheson has written. He makes every story seem plausible, yet keeps you seated in the fantastic. A Stir of Echoes is an excellent story of two ordinary people trying to grasp the unbelievable without losing themselves in madness. it's a great book.

~~A Stir-of-Echoes-by-Richard-Matheson—Audiobook—Audible.com~~

I saw Kevin Bacon in Stir of Echoes years ago and really enjoyed the movie as a slow boil horror/mystery. I’d known Richard Matheson, a renowned writer who produced tales of horror, science fiction, fantasy, and penned more than a few Twilight Zone episodes, had written the book the movie was based on, but I’d never read it.

An ordinary man, Tom Wallace suddenly finds himself the possessor of extraordinary psychic abilities that allow him to "hear" the private thoughts of the people around him, but the nightmare worsens when he becomes the recipient of a compelling message from beyond the barrier of death.

Madness is only a step away . . . Tom Wallace is happy with his suburban lot. Until an evening of casual entertainment turns reality into nightmare. Tom sees himself as a pragmatist, and when his brother-in-law challenges him to undergo hypnotism, he obliges to prove a point. So no one is more surprised than Tom when it works. But this cheap parlour trick unlocked something that now threatens his sanity, way of life and marriage. Suddenly he can sense his neighbours' darkest desires, and some are dark indeed. When shadows from the past and glimpses of the future are revealed to him, Tom tries to deny what's happening. But as his existence becomes increasingly unbearable, the biggest revelation of all awaits -- a message from beyond the grave.

~~Horror~~

The definitive collection of terrifying stories by "one of the greatest writers of the 20th century" (Ray Bradbury), edited by award-winning author Victor LaValle Among the greats of 20th-century horror and fantasy, few names stand above Richard Matheson. Though known by many for novels like I Am Legend and his sixteen Twilight Zone episodes, Matheson truly shines in his chilling, masterful short stories. Since his first story appeared in 1950, virtually every major writer of science fiction, horror, and fantasy has fallen under his influence, including Stephen King, Neil Gaiman, Peter Straub, and Joe Hill, as well as filmmakers like Stephen Spielberg and J.J. Abrams. Matheson revolutionized horror by taking it out of gothic castles and strange cosmos and setting it in the darkened streets and suburbs we recognize as our own. He infused tales of the fantastic and supernatural with dark explorations of human nature, delving deep into the universal dread of feeling alone and threatened in a dangerous world. The Best of Richard Matheson brings together his greatest hits as chosen by Victor LaValle, an expert on horror fiction and one of its brightest talents, marking the first major overview of Matheson’s legendary career. "[Matheson is] the author who influenced me most as a writer." -Stephen King "Richard Matheson’s ironic and iconic imagination created seminal science-fiction stories . . . For me, he is in the same category as Bradbury and Asimov." -Steven Spielberg "He was a giant, and YOU KNOW HIS STORIES, even if you think you don't." -Neil Gaiman For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Collects horror stories such as "Third from the Sun," "Little Girl Lost," "Death Ship," and "Duel," which was the basis for the Spielberg film of the same name.

Features the story "Steel," in which robots have replaced humans in the boxing ring, as well as more than a dozen other stories, including two that have never been collected in a book before.

In this suspense thriller by the author of I Am Legend and Now You See It, a man is on the run for his life after he’s replaced by an impostor. Government mathematician Chris Barton lives a routine life—until, at the end of an ordinary workday, he finds his car missing from the employee parking lot. When he finally arrives home, there is a stranger living in his house—a man who claims to be him. Thrust suddenly into a surreal world where the evidence of his senses cannot be trusted and strangers are trying to kill him, Chris must avoid violent assassins while following a trail of cryptic clues to regain his life.. Praise for 7 Steps to Midnight "Matheson is the master of paranoia—pitting a single man against unknown horrors and examining his every slow twist in the wind. 7 Steps is a book to be devoured in one long swallow."—San Jose Mercury News "Richard Matheson is one of the great names in American terror fiction. 7 Steps to Midnight commands attention... The writing is fortunately up to Matheson’s high standards. This is a novel that flies across the page."—The Philadelphia Inquirer Praise for Richard Matheson "The author who influenced me the most as a writer was Richard Matheson."—Stephen King "One of the greatest writers of the twentieth century."—Ray Bradbury

When Richard Collier, a dying screenwriter, becomes infatuated with Elise McKenna, a celebrated actress at the turn of the century, his love proves strong enough to bring him through time to her side.

Remember that monster on the wing of the airplane? William Shatner saw it on The Twilight Zone, John Lithgow saw it in the movie-even Bart Simpson saw it. "Nightmare at 20,000 Feet" is just one of many classic horror stories by Richard Matheson that have insinuated themselves into our collective imagination. Here are more than twenty of Matheson's most memorable tales of fear and paranoia, including: "Duel," the nail-biting tale of man versus machines that inspired Steven Spielberg's first film; "Prey," in which a terrified woman is stalked by a malevolent Tiki doll, as chillingly captured in yet another legendary TV moment; "Blood Son," a disturbing portrait of a strange little boy who dreams of being a vampire; "Dress of White Silk," a seductively sinister tale of evil and innocence. Personally selected by Richard Matheson, the bestselling author of I Am Legend and What Dreams May Come, these and many other stories, more than demonstrate why he is rightfully regarded as one of the finest and most influential horror writers of our generation. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
