Brazilian designer Fábio Sasso, who has wildly popular design blog Abduzeedo, has created the definitive guide to design. This book features interviews with designers and offers tutorials on various design styles, an extension of what he does with his site abduzeedo.com. Each chapter addresses a particular style, e.g., Vintage, Neo-surrealism, Retro 80s, Light Effects, Collage, Vector, and starts off with an explanation about the style and techniques that go into that style. Next, the Abduzeedo Design Guide shows images from different visual artists illustrating each style. Fábio interviews a master of each style, such as, in the case of Retro Art, James White. Then he wraps up the chapter with a tutorial showing the elements and techniques for creating that style in Photoshop. Meant for beginning to intermediate designers as well as more experienced designers looking for inspiration, the book focuses on styles that can be applied both to web or print.

Squares, polygons, swirling lines, and geometrics: this remarkable resource offers 200 different tileable patterns for seamless backgrounds, wallpaper, fabrics, and more. The book also includes an inspiring Gallery section that shows how the images can be used in a variety of design applications. Plus, an 8-page tutorial section offers step-by-step instructions.

This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas/both classic and unexpected/and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, "hack" your Ikea table to create three distinct looks, and so much more.

"Following its recent announcement of plans to open a major gallery in Mayfair, Pace London is honored to present 'Rothko/Sugimoto: Dark Paintings and Seascapes' at 6 Burlington Gardens from 4 October through 17 November 2012. The inaugural exhibition juxtaposes Mark Rothko's late black and grey paintings with Hiroshi Sugimoto's contemporary photographs of bodies of water. The exhibition marks the first private gallery presentation of Rothko's work in London in nearly fifty years and continues Pace's five-decade tradition of exhibitions that explore affinities between artists working across decades and mediums. 'Dark Paintings and Seascapes' pairs eight acrylic paintings by Rothko and eight gelatin silver prints by Sugimoto, revealing two different artistic approaches that arrive at similar conclusions."-Gallery's press release. Exhibition: Pace Gallery, London, UK (4.10.-17.11.2012).

One of the most beloved vector graphic softwares among Web Designers is Adobe Illustrator. But getting to know all of its tools and features can be time consuming. With this eBook we try to ease the learning process for you.
