On sociolinguistics and literature studies on Malay language.

Aceh has become best known in our times for its twin disasters—the worst earthquake and tsunami of modern times in December 2004, and a long-running separatist conflict that rent Indonesia for most of its independent history. Although this book emerged from the process of recovery from those traumas, it turns the spotlight on a more positive and neglected claim Aceh has on our attention, as the Southeast Asian maritime state that most successfully and creatively maintained its independent place in the world until 1874. Like Burma, Siam and Vietnam, all better protected by geography, Aceh has its own story to tell of a unique culture struggling for survival through the European colonial era.

Venerated for millennia by three faiths, torn by irreconcilable conflict, conquered, rebuilt, and mourned for again and again, Jerusalem is a sacred city whose very sacredness has engendered terrible tragedy. In this fascinating volume, Karen Armstrong, author of the highly praised *A History of God*, traces the history of how Jews, Christians, and Muslims have all laid claim to Jerusalem as their holy place, and how three radically different concepts of holiness have shaped and scarred the city for thousands of years. Armstrong unfolds a complex story of spiritual upheaval and political transformation--from King David's capital to an administrative outpost of the Roman Empire, from the cosmopolitan city sanctified by Christ to the spiritual center conquered and glorified by Muslims, from the gleaming prize of European Crusaders to the bullet-ridden symbol of the present-day Arab-Israeli conflict. Written with grace and clarity, the product of years of meticulous research, *Jerusalem* combines the pageant of history with the profundity of searching spiritual analysis. Like Karen Armstrong's *A History of God*, *Jerusalem* is a book for the ages. **BONUS:** This edition contains an excerpt from Karen Armstrong's *Twelve Steps to a Compassionate Life*.
