In adventure races, teammates work together to finish an obstacle course as quickly as possible. Authors Dan DeJager and Cathrine Himberg provide everything you need to know to prepare for and teach an adventure racing unit at your school or lead an adventure racing event in any environment with any group of people. Ideal for either a field day or a regular class period, Adventure Racing Activities for Fun and Fitness provides teachers and youth leaders with a new way to get kids excited about physical activity, instill healthy habits, and meet NASPE national physical education standards. More than that, it meets kids' standards of having fun while being physically active.

To understand the history of "English", W. Ross Winterowd insists, one must understand how literary studies, composition-rhetoric studies, and influential textbooks interrelate. Stressing the interrelationship among these three forces, Winterowd presents a history of English studies in the university since the Enlightenment. Winterowd's history is unique in three ways. First, it tells the whole story of English studies: it does not separate the history of literary studies from that of composition-rhetoric studies, nor can it if it is going to be an authentic history. Second, it traces the massive influence on English studies exerted by textbooks such

as *Adventures in Literature*, *Understanding Poetry*, *English in Action*, and the *Harbrace College Handbook*. Finally, Winterowd himself is very much a part of the story, a partisan with more than forty years of service to the discipline, not simply a disinterested scholar searching for the truth. After demonstrating that literary studies and literary scholars are products of Romantic epistemology and values, Winterowd further invites controversy by reinterpreting the Romantic legacy inherited by English departments. His reinterpretation of major literary figures and theory, too, invites discussion, possibly argument. And by directly contradicting current histories of composition-rhetoric that allow for no points of contact with literature, Winterowd intensifies the argument by explaining the development of composition-rhetoric from the standpoint of literature and literary theory. Winterowd has produced a work of belles lettres that is both scholarly and autobiographical, a work unique in English department literature.

*Objective History Of English Literature (UGC-NET/SLET, TGT, & PGT)* is a reference book that helps students prepare for competitive exams in English Literature like the National Eligibility Test (NET), State Level Eligibility Test (SLET), Trained Graduate Teacher (TGT), and Post Graduate Teacher (PGT). This book contains a series of multiple-choice questions (30 Practice SET) on different ages, literary genres, and socio-political and literary movements. A large number of the sections in this book focus on broad literary genres, the specific sub-genres under them, and then provide a list of the most well-known writers in that genre from various eras. That is a useful exercise for a literature student, to have such diverse writers from different places and times compared and contrasted
