By combining algebraic and graphical approaches with practical business and personal finance applications, South-Western's FINANCIAL ALGEBRA, motivates high school students to explore algebraic thinking patterns and functions in a financial context. FINANCIAL ALGEBRA will help your students achieve success by offering an applications based learning approach incorporating Algebra I, Algebra II, and Geometry topics. Authors Gerver and Sgroi have spent more than 25 years working with students of all ability levels and they have found the most success when connecting math to the real world. FINANCIAL ALGEBRA encourages students to be actively involved in applying mathematical ideas to their everyday lives. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

In 2009 Elspeth Muir's youngest brother, Alexander, finished his last university exam and went out with some mates on the town. Later that night he wandered to the Story Bridge. He put his phone, wallet, T-shirt and thongs on the walkway, climbed over the railing, and jumped thirty metres into the Brisbane River below. Three days passed before police divers pulled his body out of the water. When Alexander had drowned, his blood-alcohol reading was almost five times the legal limit for driving. Why do some of us drink so much, and what happens when we do? Fewer young Australians are drinking heavily, but the rates of alcohol abuse and associated problems—from blackouts to sexual assaults and one-punch killings—are undiminished. Intimate and beautifully told, *Wasted* illuminates the sorrows, and the joys, of drinking. Elspeth Muir is a Brisbane author whose writing has appeared in the *Lifted Brow*, *The Best of the Lifted Brow: Volume One*, *Griffith Review*, *Voiceworks* and *Bumf*. She is a postgraduate student at the University of Queensland. 'Deeply personal and unflinchingly honest, Muir's debut book is among the best long-form explorations of how and why some Australians drink alcohol to excess...It is a striking work and among the strongest debut books I have read.' Australian 'Intricately crafted...An intimate portrait of a grieving family and a nation unable to reconcile itself to the harmful effects of its drinking culture...Reminiscent of writers such as Chloe Hooper and Helen Garner...This book will help you think critically and compassionately about those who seek solace in alcohol.' Books + Publishing 'Wasted barrels headfirst into the alcohol-soaked heart of Australia to report on our fraught love affair with drinking.' Liam Pieper 'There is no lapse in urgency in *Wasted*; this conversation is a crucial one to have. Five stars.' Good Reading 'The prose style of this unheralded writer...is so achingly beautiful and assured, Helen Garner might be pleased to hand her the keys to the creative nonfiction kingdom and ride off into the Carlton sunset.' Saturday Paper '[Muir] gifts readers gorgeously evocative passages which convey a depth of emotion...Wasted is a haunting read.' Readings 'Elspeth writes beautifully and honestly, documenting the shocking loss...in such heartbreaking circumstances.' Mamamia '[Muir] concludes of her brother's death, "What a waste of a life that was." Yet by determinedly documenting the drinking culture that coddled him, she has opened vital new lines of enquiry into our duty of care towards drinkers. It's a tragedy, but now, not entirely a waste.' *Lifted Brow* 'Interweaving brilliant reportage with memoir, *Wasted* delves into Australia's complicated relationship with alcohol...Timely and eye-opening.' *Canberra Weekly* 'The strongest new Australian voice I've come across this year.' Readings, *Our Favourite Books of 2016* (so far) 'Wasted is a book that every New Zealander and Australian needs to read...If I had my way, I'd give this to everyone in their last year of high school, and their parents too.' Booksellers New Zealand 'Elspeth Muir's memoir begins after her younger brother's night of heavy drinking culminates with him jumping from a bridge and drowning in the Brisbane River. Her handling of the subject is, by turn, heartbreaking, evocative and, in parts, refreshingly weird, and her assured voice makes this a sobering read.' *Best Non-Fiction Books of 2016*, Readings 'This devastating personal story of loss and grief is also an unflinching examination of the damaging drinking habits of young Australians, and of a society that not only permits, but encourages them.' *Junkie*

Glencoe Pre-Algebra is focused, organized, and easy to follow. The program shows your students how to read, write, and understand the unique language of mathematics, so that they are prepared for every type of problem-solving and assessment situation.
