I love that dogs are welcome in all the cafes, shops, and even the butcher shops. And they have lots of very fancy dog groomers that are not just for the rich but anyone that does not want to be scorned and yelled at for not taking proper care of their dogs. This was billed as a look at love and life in France but it is much more life than love.

The charming true story of a spirited young woman who finds adventure--and the love of her life--in Paris. "This isn't like me. I'm not the sort of girl who crosses continents to meet up with a man she hardly knows. Paris hadn't even been part of my travel plan..." A delightful, fresh twist on the travel memoir, Almost French takes us on a tour that is fraught with culture clashes but rife with deadpan humor. Sarah Turnbull's stint in Paris was only supposed to last a week. Chance had brought Sarah and Frédéric together in Bucharest, and on impulse she decided to take him up on his offer to visit him in the world's most romantic city. Sacrificing Vegemite for vichyssoise, the feisty Sydney journalist does her best to fit in, although her conversation, her laugh, and even her wardrobe advertise her foreigner status. But as she navigates the highs and lows of this strange new world, from life in a bustling quartier and surviving Parisian dinner parties to covering the haute couture fashion shows and discovering the hard way the paradoxes of France today, little by little Sarah falls under its spell: maddening, mysterious, and charged with that French specialty-séduction. An entertaining tale of being a fish out of water, Almost French is an enthralling read as Sarah Turnbull leads us on a magical tour of this seductive place-and culture-that has captured her heart.

Number 1 on the Bestseller list (Australia) with over 20,000 copies sold in the UK alone and over 250,000 world-wide! Almost French has been a huge success and now with the new-look, mass market B Format it is ready to go stellar! Publication timed for major trade promotions including summer reading and airport holiday exodus. In the bestselling tradition of Frances Mayes' Under the Tuscan Sun, Chris Stewart's A Parrot in the Pepper Tree or Peter Mayle - but without the pile of stones! Funny, perceptive and poignant Almost French is an often hilarious mixture of a young woman's personal memoir and armchair travel. A spectacular example of culture clash - and a happy ending.

When he first visited Paris as a young student, artist Louis Jansen van Vuuren could never have imagined that one day he would end up owning a château in rural France. Almost French is the entertaining, often hilarious account of his induction over the past 21 years into all things French: snooty waiters, highbrow countesses, numerous faux pas with the French language and, of course, encounters with the infamous French bureaucracy. Turning the dilapidated Château de la Creuzette into a celebrated boutique hotel with his life partner, Hardy Olivier, required patience and perseverance. Many lessons were learnt the hard way. For instance, four heaters are not enough to heat an entire château and they will blow your power supply. Louis interweaves the stories about his life in France with fascinating snippets of history, culture, food and drink, and tradition. A must for all Francophiles and anyone who loves good living.

"A delightful and courageous tale and a romping good read. Voilà!" -Mark Greenfield, author of I'll Never Be French (No Matter What I Do) William Alexander is more than a Francophile. He wants to be French. There's one small obstacle though: he doesn't speak la langue française. In Flirting with French, Alexander sets out to conquer the language he loves. But will it love him back? Alexander eats, breathes, and sleeps French (even conjugating in his dreams). He travels to France, where mistranslations send him bicycling off in all sorts of wrong directions, and he nearly drowns in an immersion class in Provence, where, faced with the riddle of masculine breasts, feminine beards, and a turkey cutlet of uncertain gender, he starts to wonder whether he should've taken up golf instead of French. While playing hooky from grammar lessons and memory techniques, Alexander reports on the riotous workings of the Académie française, the four-hundred-year-old institution charged with keeping the language pure; explores the science of human communication, learning why it's harder for fifty-year-olds to learn a second language than it is for five-year-olds; and, frustrated with his progress, explores an IBM research lab, where he trades barbs with a futuristic hand-held translator. Does he succeed in becoming fluent? Readers will be as surprised as Alexander is to discover that, in a fascinating twist, studying French may have had a far greater impact on his life than actually learning to speak it ever would. "A blend of passion and neuroscience, this literary love affair offers surprise insights into the human brain and the benefits of learning a second language. Reading William Alexander's book is akin to having an MRI of the soul." -Laura Shine Cunningham, author of Sleeping Arrangements "Alexander proves that learning a new language is an adventure of its own--with all the unexpected obstacles, surprising breakthroughs and moments of sublime pleasure traveling brings." -Julie Barlow, author of Sixty Million Frenchmen Can't Be Wrong

Bestselling writer Suzy Gershman (dubbed "Super Shopper Suzy" by Oprah) is our answer to Peter Mayle in this heartfelt, breezy, and funny story of starting over in Paris. Suzy had always fantasized about moving to Paris with her husband, but when he dies unexpectedly, she decides to fulfill their dream alone. Here she gives a deliciously conversational chronicle of her first year in Paris and of the dizzying delights and maddening frustrations of learning to be a Parisian. Filled with Gershman's insider's tips on everything from cooking the perfect clafoutis to-naturally-shopping, C'est la Vie is delightfully entertaining and captures the exhilarating experience of beginning a new adventure.

"This isn't like me. I'm not the sort of girl who crosses continents to meet up with a man she hardly knows. Paris hadn't even been part of my travel plan ..." After backpacking her way around Europe journalist Sarah Turnbull is ready to embark on one last adventure before heading home to Sydney. A chance meeting with a charming Frenchman in Bucharest changes her travel plans forever. Acting on impulse, she agrees to visit Frédéric in Paris for a week. Put a very French Frenchman together with a strong-willed Australian girl and the result is some spectacular - and often hilarious - cultural clashes. Language is a minefield of misunderstanding and the simple act of buying a baguette is fraught with social danger. But as she navigates the highs and lows of this strange new world, from the sophisticated cafés and haute couture fashion houses to the picture postcard French countryside, little by little Sarah falls under its spell: passionate, mysterious, infuriating, and charged with that French specialty - séduction. And it becomes her home. ALMOST FRENCH is the story of an adventurous heart, a maddening city - and love.

From the moment Peter Mayle and his wife, Jennie, uprooted their lives in England and crossed the Channel permanently, they never looked back. Here the beloved author of A Year in Provence pays tribute to the most endearing and enduring aspects of his life in France--the charming and indelible parade of village life, the sheer beauty, the ancient history. He celebrates the café and lists some of his favorites; identifies his favorite villages, restaurants, and open-air markets; and recounts his most memorable meals. A celebration of twenty-five years of Provençal living-of lessons learned and changes observed--with his final book Mayle has crafted a lasting love letter to his adopted home, marked by his signature warmth, wit, and humor.

Anna is less than thrilled to be shipped off to boarding school in Paris, leaving a fledgling romance behind - until she meets Étienne St. Clair. Smart, charming, beautiful, Étienne has it all...including a girlfriend. But in the City of Light, wishes have a way of coming true. Will a year of romantic near-misses end with a longed-for French kiss? "Magical...really captures the feeling of being in love" - Cassandra Clare, author of The Mortal Instruments series NPR's Year's Best Teen Reads, 2010. NPR's 100 Best-Ever Teen Novels, Number 53. Cybils Award Finalist for Young Adult Fiction, 2011. YALSA's Best Fiction for Young Adults, 2012 list YALSA's Popular Paperbacks for Young Adults: Forbidden Romance, 2012. TAYSHAS Reading List, 2012. Georgia Peach Book Award for Teen Readers, Honor, 2012-13.

Set on the Caribbean coast of South America, this love story brings together Fermina Daza, her distinguished husband, and a man who has secretly loved her for more than fifty years.

NATIONAL BESTSELLER • In this witty and warm-hearted account, Peter Mayle tells what it is like to realize a long-cherished dream and actually move into a 200-year-old stone farmhouse in the remote country of the Lubéron with his wife and two large dogs. He endures January's frosty mistral as it comes howling down the Rhône Valley, discovers the secrets of goat racing through the middle of town, and delights in the glorious regional cuisine. A Year in Provence transports us into all the earthy pleasures of Provençal life and lets us live vicariously at a tempo governed by seasons, not by days.
