Dexter McCray is a farmer with a dark past that continues to haunt him. As a man struggling with alcoholism, he's used to being looked at with pity and suspicion in his community. So, after waking from a blackout to discover the body of a teenage girl in the nearby cottonwood grove, he can't be entirely sure he's innocent. With no memory of the previous night, he sees no choice but to investigate the crime himself. Fortunately he's not alone. He has some help...in the shape of the dead girl herself. In The Grove, readers are treated to more than a warped and imaginative mystery. With plot twists on every page, Rector breathes life into a story that pits reality against hallucination, truth against improbability. Is Dexter motivated by guilt or insanity, reason or folly? And how will the young victim provide the help he desperately needs? This is a novel about one man haunted by the reality of his failed life.

Edgar Award Finalist: The hunt for a vanished singer leads a detective into the depths of the occult in this “terrific” novel (Stephen King). Big-band frontman Johnny Favorite was singing for the troops when a Luftwaffe fighter squadron strafed the bandstand, killing the crowd and leaving the singer near death. The army returned him to a private hospital in upstate New York, leaving him to live out his days as a vegetable while the world forgot him. But Louis Cyphre never forgets. Cyphre had a contract with the singer, stipulating payment upon Johnny’s death—payment that will be denied as long as Johnny clings to life. When Cyphre hires private investigator Harry Angel to find Johnny at the hospital, Angel learns that the singer has disappeared. It is no ordinary missing-person’s case. Everyone he questions dies soon after, as Angel’s investigation ensnares him in a bizarre tangle of black magic, carnival freaks, and grisly voodoo. When the sinister Louis Cyphre begins appearing in Angel’s dreams, the detective fears for his life, his sanity, and his soul. Falling Angel was the basis for the Alan Parker film Angel Heart, starring Mickey Rourke, Robert De Niro, and Lisa Bonet. This ebook features an illustrated biography of William Hjortsberg including rare photos from the author’s personal collection.

“[A] certifiable masterpiece” from the acclaimed chronicler of New York City’s old money elite (The New York Observer). Widely considered Louis Auchincloss’s greatest novel, The Rector of Justin is an astute dissection of the social mores of the Northeast’s privileged establishment. The story centers on Rev. Frank Prescott, the charismatic founder and rector of a prestigious Episcopal school for boys. With laser-sharp insight, Auchincloss delivers a prismatic portrait of this commanding and complicated man through the eyes of those who knew—or thought they knew—him best. Seamlessly interweaving multiple points of view—from an adoring teacher to that of a rebellious daughter—The Rector of Justin presents a social history of the eighty years of his life: the sources of his virtues and failings, his successes, his love, and his crises of faith. As Jonathan Yardley put it in the Washington Post, “Auchincloss is one of the most accomplished and distinctive writers this country has known . . . [and] Frank Prescott is one of the great characters in American fiction.” “A daring and ambitious book . . . Its poise and taste and intelligence strike one on every page, as do its unerring knowledge and literary skill.” —The New Yorker “[The Rector of Justin] should sit on the shelf of any serious reader of American fiction.” —Jay Parini, The New York Observer “A taut and elegant study of a distinguished American whose closest friends cannot decide whether they like or detest him.” —The Times Literary Supplement “Fascinating. . . We do come to feel the reality, the complicated reality, of Francis Prescott.” —Saturday Review “My favorite of Auchincloss’s novels. Both decadent and demanding, high-hat and frank . . . A subversive in lace-up oxfords and rep tie.” —Amy Bloom
