BUILD A PROFITABLE KINDLE PUBLISHING BUSINESS! Do you want to start a Kindle Publishing Business? Do You Want a Step-By-Step Blueprint Of The Entire Process? If so, "KINDLE PUBLISHING: How To Build A Successful Self-Publishing Business With Amazon Kindle and Createspace. A Detailed, Step-By-Step Guide To The Entire Process" by Delfim Alvaro is the exact guide you need! Delfim Alvaro is a successful Kindle Publisher who has been running his Publishing business for over 2 years. In that time, he has tried and tested many strategies, followed various courses and narrowed the process down to 9 essential lessons. Much like the 80/20 or Pareto's Principal. Focusing on truly understanding and employing only 9 steps allowed Delfim to be more efficient and grow a passive income quicker, ignoring all the other time-consuming or minimal-result-producing tasks. The refocus was so effective that it doubled Delfim's income to \$3000 a month in just 3 months, and with only a total number of 13 books. And now he wants to share the same 9 lessons with you! Kindle Publishing is one of the simplest businesses to start, with low barrier to entry, low start-up cost and massive earning potential. And a business that just about anyone can start regardless of their previous business or internet marketing experience. Delfim's 9 essential Lessons will be putting you on the path to success with Kindle and on your way to a full-time income online. What Makes This Book The Best Book On The Subject? This book is a true step-by-step break-down of the entire process and should cost way more because of the value Delfim shares. You will be getting a proven blueprint to start your own online business from someone who has been there and done it, with the potential to quit your job, work from home or from anywhere in the world for such a small investment. Delfim covers everything from opening your publishing accounts, finding and analysing profitable niches, getting your book cover designed and book published, as well as how to market your books, manage and outsource your business. The book is also filled with screenshots and free video tutorials to make things even simpler for you. Giving you full confidence that you can also replicate the process. You Will Learn The Following: Exactly how Kindle Publishing works How to properly carry-out Niche and Keyword Research. Find topics that are in demand and profitable How to create a Title that sells How to order a eBook cover that stands-out How to write or better, outsource great book content Book descriptions that sell How to open your Kindle account How to Publish your first eBook on Kindle. step-by-step How to turn your eBook into a Paperback version How to Publish your first Paperback. step-by-step How to Promote and Market your book How to get Reviews for your book How to Scale, Manage and Outsource your Kindle Publishing business And much more! Are You New to Kindle Direct Publishing? It is of great importance to be a writer because we can only communicate our thoughts to a greater audience through writing. This is absolutely my belief as a writer. I began writing in 2002 when in the village and many people decided to discourage me to read and write, but it was really my desire to write and because of this, no one can stop me from writing. I wrote on exercise books because I did not have a computer at that time and I never heard about computers either leave alone how to use them. It is one thing to write and another to publish your book and make it available to millions of people worldwide. But publishing a book has been never that easy. You have to look for a publisher and before that, you have to find someone to read and even edit your work before you look for a publisher. What if you don
