This thoroughly researched textbook from well-respected scholar M. Eugene Boring presents a user-friendly introduction to the New Testament books. Boring approaches the New Testament as a historical document, one that requires using a hands-on, critical method. Moreover, he asserts that the New Testament is the church's book, in that it was written, selected, preserved, and transmitted by the church. Boring goes on to explore the historical foundation and formation of the New Testament within the context of pre-Christian Judaism and the world of Jesus and the early church. He then examines the individual books of the New Testament, providing helpful background information and methods for interpretation, and revealing the narrative substructure found within each of the Gospels and Letters.

This volume includes helpful illustrations, charts, notes, and suggestions for further reading. Sections are laid out in a well-organized manner to help students navigate the content more easily.

This book is a major English-language introduction to the earliest manuscripts of the New Testament. An essential handbook for scholars and students, it provides a thorough grounding in the study and editing of the New Testament text combined with an emphasis on the dramatic current developments in the field. Covering ancient sources in Greek, Syriac, Latin and Coptic, it:

- Describes the manuscripts and other ancient textual evidence, and the tools needed to study them
- Deals with textual criticism and textual editing,

## Get Free An Introduction To The New Testament Raymond E Brown

describing modern approaches and techniques, with guidance on the use of editions • Introduces the witnesses and textual study of each of the main sections of the New Testament, discussing typical variants and their significance. A companion website with full-colour images provides generous amounts of illustrative material, bringing the subject alive for the reader.

This book, first published in 2002, offers an authoritative and accessible introduction to the New Testament and early Christian literature for all students of the Bible and anyone interested in the origins of Christianity. It is designed primarily for undergraduate courses in the New Testament, biblical studies and early Christianity. Delbert Burkett focuses on the

New Testament, but also looks at a wealth of non-biblical writing to examine the history, religion and literature of Christianity in the years from 30 CE to 150 CE. An appendix containing translations of primary texts allows instant access to the writings outside the canon. With this textbook and the Bible, the student should therefore have all the necessary basic texts. The book is organised systematically with questions for in-class discussion and written assignment, step-by-step reading guides on individual works, special box features, charts, maps and numerous illustrations designed to facilitate student use.

The general purpose of this book is to provide a broad understanding of the background and message of the New

## Get Free An Introduction To The New Testament Raymond E Brown

Testament. It opens with chapters on the time between the Old and New Testaments, giving information on history, institutions and literature, and goes on to discuss the language of the New Testament, the text and its transmission, the canon, and the individual books of the New Testament. For each of them the author provides a helpful outline and introduces the reader to a greater understanding of the text by a discussion of such matters as purpose, background, date, authorship, characteristics or principal concepts, taking into full account the most significant findings and interpretations of recent scholars. The author also provides general essays on the Gospels and on the Epistles.

Professor deSilva's outstanding textbook sets a new standard

twenty-first century to the era of Jesus and the first Christians. A highly-readable, one-volume introduction placing the entire New Testament and early Christianity in its original context, it is the only such work by distinguished scholar and author N. T. (Tom) Wright. An ideal guide for students, *The New Testament in Its World* addresses the many difficult questions faced by those studying early Christianity. Both large and small, these questions include: What is the purpose of the New Testament? What was the first-century understanding of the kingdom? What is the real meaning of the resurrection in its original context? What really were the Gospels? Who was Paul and why are his letters so controversial? As twenty-first-century people, how do we recover the excitement of what it was like to live as Christians in the first or second centuries?

## Get Free An Introduction To The New Testament Raymond E Brown

In short, *The New Testament in Its World* brings together decades of ground-breaking research, writing, and teaching into one volume that will open readers' eyes to the larger world of the New Testament. It presents the New Testament books as historical, literary, and social phenomena located in the world of Second Temple Judaism, amidst Greco-Roman politics and culture, and within early Christianity. ' Written for both classroom and personal use, the benefits of *The New Testament in Its World* include: A distillation of the life work of N. T. Wright on the New Testament with input from Michael Bird Historical context that situates Jesus and the early church within the history, culture, and religion of Second Temple Judaism and the Greco-Roman world Major sections on the historical Jesus, the resurrection of Jesus, and Paul's

chronology and theology Surveys of each New Testament book that discuss their significance, critical topics like authorship and date, and that provide commentary on contents along with implications for the Christian life Up-to-date discussions of textual criticism and the canonization of the New Testament A concluding chapter dedicated to living the story of the New Testament Available Video and Workbook companion resources to enhance learning and experience the world of the New Testament Illustrated with visually rich pictures, maps, charts, diagrams, and artwork; plentiful sidebars provide additional explanations and insights

The title of this book may be a bit puzzling 'a Catholic introduction to the New Testament? The New Testament

## Get Free An Introduction To The New Testament Raymond E Brown

belongs to all Christians, and the modern study of the New Testament has benefited from the contributions by scholars of all Christian denominations. But there are questions and issues in the New Testament that are specific to Catholics, such as the portrayal of Jesus' mother Mary, the commissioning of Peter, and the Trinity. In this volume, Joseph Kelly provides an introduction to the New Testament for students and deals with the concerns of modern Catholics reading the Bible. It's a book that Catholic teachers can use rather than a book that presents them with problems they have to explain. Kelly helps readers to understand what modern scholars, especially Catholic biblical exegetes, say about the individual books because we cannot understand what role Jesus can play in modern life if we don't

## Get Free An Introduction To The New Testament Raymond E Brown

understand what he meant to the earliest Christians. The New Testament tells the story of Jesus, the most remarkable person who ever lived, and of his disciples. It includes some of the most famous narratives in the world and the most memorable words ever spoken. It introduces us to great people who moved history and of those who took the difficult step of leaving the religions of their ancestors and families to become Christians. Kelly shows that in looking at the New Testament we see real people communicating with us 'sharing their beliefs, their fears, and their hopes. Distant yet familiar, challenging yet comprehensible, the New Testament is a precious heritage, and one that Kelly recommends we must make our own. Joseph F. Kelly, PhD, is professor of religious studies at John Carroll University in Cleveland, Ohio.

## Get Free An Introduction To The New Testament Raymond E Brown

He is the author of *The World of the Early Christians*, *The Problem of Evil in the Western Tradition*, *Responding to Evil*, *The Origins of Christmas* and *The Collegeville Church History Time-Line* published by Liturgical Press.

*Called by the Gospel* is the title for a series of introductory theological textbooks written from a distinctly Lutheran perspective. In keeping with the predominant place of the gospel in Lutheran theology, this introductory volume on the New Testament carries the same title as the series, *Called by the Gospel*. Readers will find within its pages a high view of the Christian Scriptures, explanation of key texts with careful attention to the historical and cultural contexts, particular focus on the presentation of Jesus by the various texts, and a

## Get Free An Introduction To The New Testament Raymond E Brown

conversational style that seeks to convey the message of the text for contemporary times. Although the book was written with university students in mind, any Christians who seek to deepen their grasp of the New Testament will find within its pages helpful and challenging insights. This book builds on material presented in the first volume of the series, *Called to be God's People*, and supplements its contents with maps, photos, suggested readings, discussion questions, and a glossary. Together these two volumes prepare the university student for an in-depth consideration of Christian doctrine in *Called to Believe, Teach, and Confess*.

Provides pastors and students with expert guidance on choosing a commentary for any book of the New Testament.
