Little Birds is Anaïs Nin's second published work of erotica, which appeared in 1979 two years after her death, but was apparently written in the early 1940s when she was part of a group "writing pornography for a dollar a day." The book is a collection of thirteen short stories. The sexual topics covered are quite varied, ranging from pedophilia to lesbianism, but linked by an interest in female subjectivity and in the dialectic of discourse and intercourse. Many of the same characters ...

These 13 erotic short stories by the acclaimed author of Henry and June explore the nature of desire, taboo, and female sensuality. Following her first book of erotic short fiction, Delta of Venus, Anaïs Nin continues to illuminate the many guises of human sexuality in Little Birds. From the beach towns of Normandy to the streets of New Orleans, these thirteen vignettes introduce us to a covetous French painter, a sleepless wanderer of the night, a guitar-playing gypsy, and a host of others who yearn for and dive into the turbulent depths of romantic experience. "[It is] so distinct an advance in the depiction of female sensuality that I felt, on reading it, enormous gratitude."-Alice Walker "One of contemporary literature's most important writers."-Newsweek

The House of Incest, Anais Nin's famous prose poem, was first published in Paris in 1936 and immediately drew attention from the era's prominent writers, including Henry Miller and Lawrence Durrell. While written in English, it is considered a landmark work in the French surrealist tradition and one of the

most unique books in 20th century literature.

The trailblazing memoirist and author of *Henry & June* recounts her relationships with Henry Miller and others—including her own father. Anaïs Nin wrote in her uncensored diaries like they were a broad-minded confidante with whom she shared the liberating psychosexual dramas of her life. In this continuation of her notorious *Henry & June*, she recounts a particularly turbulent period between 1932 and 1934, and the men who dominated it: her protective husband, her therapist, and the poet Antonin Artaud. However, most consuming of all is novelist Henry Miller—a man whose genius, said Anaïs, was so demonic it could drive people insane. Here too, recounted in extraordinary detail, is the sexual affair she had with her father. At once loving, exciting, and vengeful, it was the ultimate social transgression for which Anaïs would eventually seek absolution from her analysts. “Before Lena Dunham there was Anaïs Nin. Like Dunham, she’s been accused of narcissism, sociopathy, and sexual perversion time and again. Yet even that comparison undercuts the strangeness and bravery of her work, for Nin was the first of her kind. And, like all truly unique talents, she was worshipped by some, hated by many, and misunderstood by most . . . A woman who’d spent decades on the bleeding edge of American intellectual life, a woman who had been a respected colleague of male writers who pushed the boundaries of acceptable sex writing. Like many great . . . experimentalists, she wrote for a world that did not yet exist, and so helped to bring it into being.” —The Guardian Includes an introduction by Rupert Pole

A *Spy in the House of Love*, whose heroine Sabina is deeply divided between her drive for artistic and sexual expression and social restrictions and self-created inhibitions, echoes Anaïs Nin's personal struggle with sex, love, and emotional fragmentation.

A “lyrical, impassioned” document of the intimate relationship between the two authors that was first disclosed in *Henry and June* (Booklist). This exchange of letters between the two controversial writers—Anaïs Nin, renowned for her candid and personal diaries, and Henry Miller, author of *Tropic of Cancer*—paints a portrait of more than two decades in their complex relationship as it moves through periods of passion, friendship, estrangement, and reconciliation. “The letters may disturb some with their intimacy, but they will impress others with their fragrant expression of devotion to art.” —Booklist “A portrait of Miller and Nin more rounded than any previously provided by critics, friends, and biographers.” —Chicago Tribune Edited and with an introduction by Gunther Stuhlmann

explore the nature of sex and the awakening of desire. United by the theme of love, the writings in the Great Loves series span over two thousand years and vastly different worlds. Readers will be introduced to loves endlessly fascinating possibilities and extremities: romantic love, platonic love, erotic love, gay love, virginal love, adulterous love, parental love, filial love, nostalgic love, unrequited love, illicit love, not to mention lost love, twisted and obsessional love

Helen Tookey examines the work of Anaïs Nin (1903-77)-- and the different versions of Nin herself, as woman, writer, and iconic figure--through the lens of cultural and historical contexts. She focuses particularly on questions of identity and femininity, exploring how the self, for Nin, is constructed through narratives and performances of various kinds, and shedding light on key issues and conflicts within feminist thinking since the 1970s, particularly questions of identity, femininity, and psychoanalysis.

The renowned diarist continues the story begun in *Henry and June* and *Incest*. Drawing from the author's original, uncensored journals, *Fire* follows Anaïs Nin's journey as she attempts to liberate herself sexually, artistically, and emotionally. While referring to her relationships with psychoanalyst Otto Rank and author Henry Miller, as well as a new lover, the Peruvian Gonzalo Moré, she also reveals that her most passionate and enduring affair is with writing itself.

The history of erotic literature is long and distinguished. It holds valuable insights and lessons for the general reader, the sociologist and the student of sexual behaviour. Because of the inherent value to all students of the human condition of these classic erotic works, these books have not been altered in any way, shape or form. These stories are presented to the reader exactly as they first appeared in print and all the subtleties are exposed to the readers' view.

A magical canal boat on the Seine becomes the ideal, secluded "cell" in which Djuna and Rango, a cafe guitarist, conduct their passionate affair. But in the background is Rango's invalid wife, who gradually encroaches on their passion. Can their relationship survive her manipulations?
