mass murderer Charles Manson in the bestseller *Helter Skelter*, was able to draw together the hundreds of conflicting details of the mystery and reconstruct what really happened when four people found hell in a tropical paradise. *And the Sea Will Tell* reconstructs the events and subsequent trial of a riveting true murder mystery, and probes into the dark heart of a serpentine scenario of death.

An account of a double murder on a remote South Pacific island describes how two couples--a wealthy yachtsman and his wife and an ex-con and his girlfriend--set sail in search of a peaceful life and converged on the same island. Reprint. 15,000 first printing.

AND THE SEA WILL TELL, written by renowned defense attorney and author of *HELTER SKELTER* Vincent Bugliosi, reconstructs the events and subsequent trial of a riveting true murder mystery, and probes into the dark heart of a serpentine scenario of death that began when four people found hell in paradise. It was the 1960s and two couples separately set sail in search of a peaceful life: a wealthy yachtsman and his wife, an ex-con and his sexy girlfriend. Their destinies converged on a South Pacific island hundreds of miles from civilization where a savage murder left two of them there forever. . . . "Grips you by the throat from beginning to end." *THE CLEVELAND PLAIN DEALER*

An account of a double murder on a remote South Pacific island describes how two couples--a wealthy yachtsman and his wife and an ex-con and his girlfriend--set sail in search of a peaceful life and converged on the same island. Reprint.

The true story of the mysterious murder of a young couple vacationing on a remote Pacific island relates how the author defended the accused even as he searched for the real killer

On August 29, 1974, Mac and Muff Graham, sailors from San Diego, were brutally murdered by Buck Walker and Stephanie Stearns on the island of Palmyra, located approximately 970 nautical miles south of Hawaii. Prior to making the voyage, Muff was haunted by premonitions that the trip would end with their deaths. Unable to convince her husband that a terrible fate awaited them, against her better judgment, she reluctantly accompanied him. Arriving at the island, with death close at hand, warned by other wary sailors, Mac, seemingly secure with his firearms, refused to leave his island "paradise" despite Muff's tears and entreaties. In 1981 the remains of Muff were discovered on Palmyra Island by passing sailors. Walker and Stearns, in separate trials, were tried for her murder. After two weeks of trial, Walker was found guilty, the jury deliberating less than three hours. A month later, Stearns, defended by well known trial lawyers Vincent Bugliosi and Leonard Weinglass were acquitted. There were several factors that greatly assisted Bugliosi in obtaining his victory. Judge, Samuel King, erroneously, weighed in heavily on behalf of Stearns throughout

the trial. He granted a change of venue shifting her trial from Hawaii to San Francisco. King permitted Bugliosi to amend the complaint to allege a charge of first degree murder against Stearns and later, granted his motion to dismiss the murder charge against Stearns based on the Felony/Murder rule. He permitted Bugliosi to introduce impermissible character evidence greatly favoring Stearns and prohibited Enoki from impeaching the testimony of these witnesses. Another consideration that greatly favored Stearns was Enoki's ineffective prosecution. Enoki was not up to the challenge and was totally overwhelmed by the aggressive defense put forward by Bugliosi. Enoki never understood Stearn's role in the planning and murders of the Grahams, nor did he support his witnesses when under attack by Bugliosi. To add to the confusion, neither the prosecution nor the defense understood sailing, or the sea. The above factors, along with many others set forth, when combined with the onslaught of Stearns lies and machinations, left the jury awash in confusion and misdirection; thus accounting for the erroneous verdict. FINAL ARGUMENT sets the record straight, exposing the many lies Stearns issued in pursuit of a not guilty verdict. It corrects many inaccurate quotes from the court reporter's original trial transcript and reveals how Bugliosi won a seemingly hopeless case.

"Bugliosi, the quintessential prosecutor, has written a crime book that should be read by every lawyer and judge in America."—F. Lee Bailey On December 11, 1966, a mysterious assassin shot Henry Stockton to death, set his house on fire, and left the scene without a trace. A year later, when a woman was found brutally killed, shreds of evidence suggested a connection between the two murders. In the Palliko-Stockton trial, prosecutor Vincent Bugliosi offered a brilliant summation that synthesized for the jury the many inferences and shades of meaning in the testimony, fitting all the pieces together in a mosaic of guilt. But will the jury be persuaded?

"Provocative and entertaining. ... A powerful and damning diatribe on Simpson's acquittal."—People Here is the account of the O. J. Simpson case that no one dared to write, that no one else could write. In this #1 New York Times bestseller, Vincent Bugliosi, the famed prosecutor of Charles Manson and best-selling author of *Helter Skelter*, goes to the heart of the trial that divided the country and made a mockery of justice. He lays out the mountains of evidence; rebuts the defense; offers a thrilling summation; condemns the monumental blunders of the judge, the "Dream Team," and the media; and exposes, for the first time anywhere, the shocking incompetence of the prosecution.

Racing to freedom with thousands of other refugees as Russian forces close in on their homes in East Prussia, Joana, Emilia, and Florian meet aboard the doomed Wilhelm Gustloff and are forced to trust each other in order to survive.

The #1 New York Times bestselling true crime author presents "a solid,

compelling account of that most vicious of criminals, the random serial killer" (Library Journal). Through the 1970s and 80s, a dangerous serial killer stalked Northern California along Interstate 5. Dubbed the I-5 Strangler, Roger Kibbe was incredibly skilled at staying ahead of investigators as his victim count rose. Even after he was identified, there wasn't enough evidence to charge him with murder. Instead, investigators had to build their murder case over the course of months while Kibbe was locked up on an assault conviction. Drawing on hundreds of hours of exclusive interviews with key investigators, as well as other important figures such as the Kibbe's reclusive wife, #1 New York Times bestselling author Bruce Henderson builds a fascinating portrait of this unrepentant murderer. "Trace Evidence is a gripping, fast-paced account of what it takes to capture and make a winnable case against an elusive serial killer." -Vincent Bugliosi, author of Helter Skelter "A masterful job...Lusciously detailed and immensely readable."-Booklist
