This is a long awaited book. It always seemed that it was Kevin's task to write it. He was the mouth piece for the Archangel Metatron and the Ascended Master Djwhal Khul. Kevin left the incarnation in June 2009 without starting. The words you are now holding in your hand are a gift from Spirit: from Kevin, Metatron and Djwhal Khul. In this book there are not just words but through it flows healing and inspiration. It includes channellings, meditations, mini processes and an Archangelic Horoscopes. Some of the ideas may be new and challenging. It is my prayer that it informs, inspires and above all revolutionise the way Healing, Health and The Angelic Kingdom are viewed. Christine Core Angelic Reiki is the pure joy of working hand in hand with the Angelic Kingdom of light. Angels have guided you to this place. " A loving tribute to her husband Kevin and his work, the book he was unable to write. Christine Core presents the birth, growth and purpose of Angelic Reiki with beautiful clarity, proving it to be a unique and sacred gift to humanity. This book is packed full of profound spiritual truths and gives the reader uncompromising insights into our journey on the spiritual path. A must read for all those wishing to deepen their connection to the angelic realms. " Claire, Paradigm Shift Magazine

Haripriya's connection with the angels began a decade back, when they helped her cope with the passing on of her grandmother and helped remove a lot of fear and dark energy. Thereafter, she has communicated with the angels at crucial moments in life and expressed her deepest feelings to them. Not only did they listen, but they also responded with unconditional love by sending help in the form of people or altered circumstances. This book is written from such a place of unconditional love. The kindness and wisdom that are present in each story are empowering the readers to grow spiritually, to rediscover their inner strength and the connection to the divine angels. The gift of Reiki, the universal life force energy which helps us heal ourselves and others and connect to our true divine nature, has strengthened the connection and made the communication easier, clearer, and more powerful. The stories and techniques shown here are part of a long term collaboration with the Reiki portal Reiki Rays, and can be found in the archives of their website. The book is a compilation of the Haripriya's most appreciated articles, arranged in a way that flows naturally and makes for an easy and inspiring lecture. To fully understand and to be able to apply the techniques described in this book, the reader should already be introduced to the healing magic of Reiki.

Identifying and transforming the true cause of an illness or difficult life situation is a very complex task. Through connecting and communicating with angels, Quantum Angel (QA) Practitioners help those living with pain access the divine matrix and restore health and balance by applying the "Angel Healing Formula."QA Healing applies fundamental concepts of quantum physics to perform healing, either hands-on or at a distance. It uses diagnostic intuition, clairvoyance, telepathy, energy healing, and prayer and goes beyond physical death and integrates nonphysical helpers in the process.

Reiki is a technique for stress reduction which is also claimed to promote healing. It is said to create many beneficial effects including relaxation and feelings of peace, security and well-being. The technique is thought to have originated in Tibet, but was rediscovered by a Japanese Buddhist early in the 20th century. This revised edition includes the history of Reiki, and describes several successful approaches to integrate Reiki into patient care. Also included are pictures of the Usui memorial in Tokyo and of Mount Kurama where Reiki was discovered.

Angels come to our aid to help us feel safe and help our hearts open wide, so our light and our love shine through. After a powerful visit from an angel helped her transform her fast-paced, chaotic, and addiction-filled Manhattan banker lifestyle, author Kathryn Hudson decided to pay it forward and help others discover that each of us is surrounded by angels to help us. In this book, she shows how to safely open the channel to communicate with the angelic realm in order to access the help the angels are so willing to provide. She offers simple and practical exercises for connecting with 15 Archangels and shows how each of these Archangels brings specific Divine qualities to assist and support you. She explains when each Archangel becomes active, notes a color and a crystal associated with them, and offers a unique visualization exercise to connect with the essence of the individual angel, inviting this quality into your life. Each angel also provides a powerful message about this turning point in human evolution.
