The Apollo 11 astronaut invites young people to evaluate Mars as a potential planet for human colonization, and describes what Mars residents might experience while traveling to and living on the Red Planet.

Dad says because of the army he stood shoulder to shoulder with polar bears and watched the sun rise over the frozen fields of Alaska, which sounds really exciting. And because of the Army he slept in sludge, shoulder to shoulder with snakes

and watched the sun set over the swamps of Alabama -- which does not. In a timely, but not politically charged way, author Alan Madison looks at the way a family copes with having a parent away on a 100 day, 99 night military tour of duty through the eyes of the very loveable Esmerelda (Esme) Swishback McCarthur. Esme wants to be good while her dad is away. In fact, she feels like it's her duty to be good. But being good can be hard, especially if you have a little brother like Ike. By following Esme's story, as she awaits her father's return, readers will see how heroism can translate to every member of a family. Aside from the military families that this book serves, readers who wonder what it would be like if their mother, father, brother, or sister was sent away will relate to Esme's quiet strength and candor and will understand her

worry about what could happen. This story has the potential to speak to readers on a personal level and to turn a concept that seems so hard to grasp--war--into one that feels much more personal.

From acclaimed author of *A Wolf Called Wander*, Rosanne Parry welcomes readers into the Heartland in this tender coming-of-age story. When Brother's dad is shipped off to Iraq, along with the rest of his reserve unit, Brother must help his grandparents keep the ranch going. He's determined to maintain it just as his father left it, in the hope that doing so will ensure his father's safe return. The hardships Brother faces will not only change the ranch, but also reveal his true calling.

Death and taxes come later; what seems inevitable for children is the idea that, after spending the day at school, they must then complete more academic assignments at home. The predictable results: stress and conflict, frustration and exhaustion. Parents respond by reassuring themselves that at least the benefits outweigh the costs. But what if they don't? In *The Homework Myth*, nationally known educator and parenting expert Alfie Kohn systematically examines the usual defenses of homework--that it promotes higher achievement, "reinforces" learning, and teaches study skills and responsibility. None of these assumptions, he shows, actually passes the test of research, logic, or experience. So why do we continue to administer this modern cod liver oil --

or even demand a larger dose? Kohn's incisive analysis reveals how a mistrust of children, a set of misconceptions about learning, and a misguided focus on competitiveness have all left our kids with less free time and our families with more conflict. Pointing to parents who have fought back -- and schools that have proved educational excellence is possible without homework -- Kohn shows how we can rethink what happens during and after school in order to rescue our families and our children's love of learning.

Now in an all-new 16 pt. Large Print unabridged, original classic. Frankenstein by Mary Shelley has been a classic horror story for nearly 200 years. Originally published in 1818, Frankenstein is a story about a young scientist, Victor

girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents

who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

In a future where most people have computer implants in their heads to control their environment, a boy meets an unusual girl who is in serious trouble.

This brilliant, New York Times bestselling novel from the author of the Newbery Medal winner *When You Reach Me* explores multiple perspectives on the bonds and limits of friendship. Long ago, best friends Bridge, Emily, and Tab made a pact: no fighting. But it's the start of seventh grade, and everything is changing. Emily's new curves are attracting attention, and Tab is suddenly a member of the Human Rights Club. And then there's Bridge. She's started wearing

cat ears and is the only one who's still tempted to draw funny cartoons on her homework. It's also the beginning of seventh grade for Sherm Russo. He wonders: what does it mean to fall for a girl—as a friend? By the time Valentine's Day approaches, the girls have begun to question the bonds—and the limits—of friendship. Can they grow up without growing apart? *Sensitively* explores togetherness, aloneness, betrayal and love. *The New York Times* A Boston Globe—Horn Book Honor Book for Fiction Named a Best Book of the Year by *The New York Times*, *The Washington Post*, *The Wall Street Journal*, *The Boston Globe*, *The Guardian*, NPR, and more!
