What to the Slave Is the Fourth of July? (1852) is a novella by Frederick Douglass. Having escaped from slavery in the South at a young age, Frederick Douglass became a prominent orator and autobiographer who spearheaded the American abolitionist movement in the mid-nineteenth century. In this famous speech, published widely in pamphlet form after it was given to a meeting of the Rochester Ladies' Anti-Slavery Society on July 5th, 1852, Douglass exposes the hypocrisy of America's claim to Christian and democratic ideals in spite of its legacy of enslavement. Personal and political, Douglass' speech helped inspire

the burgeoning abolitionist movement, which fought tirelessly for emancipation in the decades leading up to the American Civil War. "What have I, or those I represent, to do with your national independence? Are the great principles of political freedom and of natural justice, embodied in that Declaration of Independence, extended to us?...What, to the American slave, is your 4th of July? I answer; a day that reveals to him, more than all other days in the year, the gross injustice and cruelty to which he is the constant victim." Drawing upon his own experiences as an escaped slave, Douglass offers a critique of American independence from the perspective of those who had never been free within its borders. Hopeful and courageous, Douglass' voice remains an essential part of our history, reminding us time and again who we are, who we have been, and what we can be as a nation. While much of his radical message has been smoothed over through the passage of time, its revolutionary truth continues to resonate today. With a beautifully designed cover and professionally typeset manuscript, this edition of Frederick Douglass' *What to the Slave Is the Fourth of July?* is a classic of African American literature reimagined for modern readers.

A first-person narrative of Olaudah Equiano's journey from his native Africa to the New World, that follows his capture, introduction to Christianity and eventual release. His story is an eye-opening depiction of personal resilience in the face of structural oppression. Olaudah Equiano's origins are rooted in West Africa's Eboe district, which is modern-day Nigeria. He details the shocking events that led up to his kidnapping and subsequent trade into slavery. His journey starts at 11 years old, forcing him to come of age in a society that abuses him at every turn. During his plight, he attempts to find new ways to survive, educating himself and eventually formulating a plan to obtain his freedom. In *The Interesting Narrative of the Life of Olaudah Equiano*, the author illustrates the harsh realities of slavery. Upon its release, the book was well-received and translated into multiple languages including German and Dutch. It set the precedent for many first-person narratives that would highlight their own unfathomable experiences. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Interesting Narrative of the Life of Olaudah Equiano* is both modern and readable.

A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

This volume presents the first full-scale treatment of the only instance in history where African blacks, seized by slave dealers, won their freedom and returned home. Jones describes how, in 1839, Joseph Cinqué led a revolt on the Spanish slave ship, the *Amistad*, in the Caribbean. The seizure of the ship by an American naval vessel near Montauk, Long Island, the arrest of the Africans in Connecticut, and the Spanish protest against the violation of their property rights created an international controversy. The *Amistad* affair united Lewis Tappan and other abolitionists who put the "law of nature" on trial in the United States by their refusal to accept a legal system that claimed to dispense justice while permitting artificial distinctions based on race or color. The mutiny resulted in a trial before the U.S. Supreme Court that pitted former President John Quincy Adams against the federal government. Jones vividly recaptures this compelling drama--the most famous slavery case before *Dred Scott*--that climaxed in the court's ruling to free the captives and allow them to return to Africa.

#1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • From the National Book Award-winning author of *Between the World and Me*, a boldly conjured debut novel about a magical gift, a devastating loss, and an underground war for freedom. "This potent book about America's most disgraceful sin establishes [Ta-Nehisi Coates] as a first-rate novelist."—San Francisco Chronicle
IN DEVELOPMENT AS A MAJOR MOTION PICTURE • Adapted by Ta-Nehisi Coates and Kamilah Forbes, produced by MGM, Plan B, and Oprah Winfrey's Harpo Films
NOMINATED FOR THE NAACP IMAGE AWARD • NAMED ONE OF PASTE'S BEST NOVELS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • NPR • The Washington Post • Chicago Tribune • Vanity Fair • Esquire • Good Housekeeping • Paste • Town & Country • The New York Public Library • Kirkus Reviews • Library Journal
Young Hiram Walker was born into bondage. When his mother was sold away, Hiram was robbed of all memory of her—but was gifted with a mysterious power. Years later, when Hiram almost drowns in a river, that same power saves his life. This brush with death births an urgency in Hiram and a daring scheme: to escape from the only home he's ever known. So begins an unexpected journey that takes Hiram from the corrupt grandeur of Virginia's proud plantations to desperate guerrilla cells in the wilderness, from the coffin of the Deep South to dangerously idealistic movements in the North. Even as he's enlisted in the underground war between slavers and the enslaved, Hiram's resolve to rescue the family he left behind endures. This is the dramatic story of an atrocity inflicted on generations of women, men, and children—the violent and capricious separation of families—and the war they waged to simply make lives with the people they loved. Written by one of today's most exciting thinkers and writers, *The Water Dancer* is a propulsive, transcendent work that restores the humanity of those from whom everything was stolen. Praise for *The Water Dancer* "Ta-Nehisi Coates is the most important essayist

in a generation and a writer who changed the national political conversation about race with his 2015 memoir, *Between the World and Me*. So naturally his debut novel comes with slightly unrealistic expectations—and then proceeds to exceed them. *The Water Dancer* . . . is a work of both staggering imagination and rich historical significance. . . . What's most powerful is the way Coates enlists his notions of the fantastic, as well as his fluid prose, to probe a wound that never seems to heal. . . . Timeless and instantly canon-worthy."—Rolling Stone

Atlantic slavery does not loom large in the traditional telling of Welsh history. Yet Wales, like many regions of Europe, was deeply affected by the forced migration of captive Africans. Welsh commodities, like copper and brass made in Swansea, were used to purchase slaves on the African coast and some Welsh products, such as woollens from Montgomeryshire, were an important feature of plantation life in the West Indies. In turn, the profits of plantation agriculture flowed back into Wales, to be invested in new industries or to be lavished on country mansions. This book looks at Slave Wales between 1650 and 1850, bringing the most up-to-date scholarship on Atlantic slavery to bear on the Welsh experience. New research by Chris Evans casts light on previously unknown episodes, such as Welsh involvement with slave-based copper mining in nineteenth-century Cuba, and illuminates in new and disturbing ways familiar features of Welsh history - like the woollen industry - that have previously unsuspected 'slave dimensions'. Many Welsh people turned against slavery in the late eighteenth century, but Welsh abolitionism was never a particularly powerful force. Indeed, Chris Evans demonstrates that Welsh participation the slave Atlantic lasted well beyond the abolition of Britain's slave trade in 1807 and the ending of slavery in Britain's Caribbean empire in 1834.
