The temptation, the anticipation builds and, finally, she has to have what he's offering. Of course Eddie proves to be brilliant. Now, she worries he's ruined her forever...and she might regret leaping from friends to lovers. What worked for me (and what didn't): I always enjoy Sarah Mayberry books. It's just a matter of degree.

Contemporary romance readers of all sorts will like this series, I already liked Sarah Mayberry's work, but Anticipation is a stand out. The compelling emotional journey the main characters were on drew me in, and Ms Mayberry's beautiful writing made me care, and kept me reading. A favorite for 2015 so far!

He's all wrong but he makes her feel like she's flying... When Sierra Carmody lands a temporary job as a private helicopter pilot for Garret Tate, it's a dream come true. The last thing she expects or wants is to fight a powerful attraction to her new boss when their families share a painful history. But Garret draws her like no other, and she can't stop thinking about him. His world is sinking but she feels like solid ground... Garret Tate is determined to be nothing like his father, which means keeping his hands strictly to himself around the hired help. But Sierra tempts him far more than just physically. She's smart, funny, capable and honest and everything he never knew he wanted. It's not long before they give in to their off-the-charts chemistry. But just as they start to think it's real love, Garret's father's dark past catches up with them, threatening to bring everything crashing down. Torn between family loyalty and love, can there be a safe landing?

What is she thinking? Being pregnant, single and expanding her business? No doubt about it, Lucy Basso's hands are full. As if that's not enough, hottie Dominic Bianco is showing more than a little interest in her. Even her impending motherhood doesn't seem to faze him. In fact, he's acting as tender and protective as if she were carrying his baby. But something seems to be keeping Dom from fully committing to her. If Lucy could only know what it is, she might understand. Or maybe she'd tell him it doesn't matter. Because she knows he's a good man and he'd make an ideal father.

ALL BETS ARE OFF... One in a million-that's what widow Stephanie Wynne figured her chances were of finding a man who could help her raise her kids instead of acting like one himself. After experiencing that with her late husband, she was happy to finally be in control of her own life. Sure, it could get a little lonely, but there were ways around that.... FBI negotiator Nash Harmon was trained to be cool and detached in every situation. But when he came to Stephanie's B&B, there was something about her lively family that drew him in, and for the first time in his life he understood why people had ties. Only Stephanie didn't want ties...at least, not to him. It would be his toughest negotiation, the odds were against him, but somehow Nash would convince her that she had, indeed, found the one.

To outfit his new gym, trainer Cooper Fitzgerald is looking for fresh boxing talent. Male boxing talent, that is. So what on earth is he thinking by taking on Jamie Sawyer? She's stubborn, difficult, aggressive--and far too hot for the kind of close contact training requires. But her skill in the ring is turning his professional head. Too bad his isn't the only head that's turning. Jamie and her skimpy little shorts have all the guys forgetting the power she packs in a punch. And when Jamie offers Cooper her irresistible body--no strings attached--he's down for the count. But can Cooper keep the line between trainer and sex buddy...or is he setting himself up for another knockout?

Will it be friendship or romance? What's a girl to do when she's secretly in love with a friend and he's married to someone else? She gets over it. That's what Amy Parker has done. Rather than lose her best bud Quinn Whitfield with an ill-timed, crazy confession of affection, she's taken the smart route. She's eased away from him. Just enough to get past the unrequited bits. And you know, it's working. Until the day Quinn announces he's now single. That's right. He's single. And he wants to hang out. With her. Get reconnected the way they used to be. Oh, this is so not good for Amy's equilibrium. Daily doses of Quinn remind her of everything she loves about him. But if he's free...and she's free...well, maybe the time has come for one of those crazy confessions.

He's used to risking it all in the ring, but nothing prepared him for love... After flying half-way around the world to surprise her boyfriend, Evie Forrester finds herself heartbroken and stranded in a strange city. What could be a total disaster becomes something else when a tall, dark bull rider turns out to be a white knight in disguise. Evie isn't sure she needs saving, but Tanner Harding is a difficult man to deny. He's even harder to resist... Tanner Harding can tame a monster bull with ease, but he never expected to be floored by someone like Evie. Sparks fly between them until injury threatens to end Tanner's career --and suddenly he's the one in need of a rescue. Evie can't turn her back on her wounded hero and, as Tanner struggles with his recovery, she's not sure she can guard her heart against him either. Tanner knows Evie has slipped under his skin, but she lives in Australia and his future is under a cloud. Can two people with too many reasons to walk away make the bold decision to stay?

Max Laurent has always wanted Maddy Green. But he let her go once before rather than stand between her and her dreams. Now she's on his Paris doorstep, needing a place to stay. She's just as hot and he wants her just as much. How can he resist seducing her? When Maddy's world falls apart, it's only natural that she turns to Max for support. But fall into his bed? Never...until one steamy night, that is. And having had a taste of him, she's hungry for more. Then she has the chance to resume her career, although it means leaving him. Can she throw away the best sex--and the best friend--she's ever had?

By New York Times bestseller Sarah Mayberry and USA Today bestseller Sarina Bowen The first time I lay eyes on Callan Walker, I know he'll be trouble. With his smug grin, hot Aussie accent and thousand dollar shoes, he's just the kind of rich guy who always gets what he wants. And he wants two things: a night of sin, and my cooperation as he outmaneuvers his powerful mother to take control of his uncle's estate. I can't afford either one. I'm the only thing standing between my little sister and the foster care system. He may have money and charm on his side, but I have something even more powerful -- pure desperation. This temp job at his mother's company can become a full time job for me. It has to. But when Callan's eyes rake over my body, sometimes I forget my obligations. His piercing gaze finds the fun, optimistic girl I used to be and not the tired person I've become. And it works—if only for a moment. Our night together was a mistake. I can't afford to get sucked into his high-powered family's treachery. But the closer I get to Callan, the more layers I find beneath those expensive clothes. Though I can't forget this is temporary. He's temporary, I have too much to lose. Too bad my foolish heart didn't get the memo... **** Perfect for fans of: billionaire romance, Carly Phillips, Vi Keeland, Penelope Ward, Meghan March, Elle Kennedy, Kendall Ryan, and Lauren Blakely.

Your date with Marietta local Beau Bennett includes a day on the slopes at Big Sky Resort, complete with a sumptuous meal in the Resort's fanciest fine dining restaurant and door-to-door transport. Dig deep to secure the attentions of one of Montana's most eligible - and elusive - bachelors. Lily Taylor knows Beau Bennett dislikes her, but that won't stop her from asking him to volunteer for the Bachelor Auction she's organized to help her friend Molly provide for her tragically injured son, Josh. If Beau's gorgeous face, piercing blue eyes and chiseled body inspires the women of Marietta to dig into their pockets for a good cause, then Lily will do whatever it takes to secure his participation. Beau Bennett isn't sure how he wound up on the auction block being eyed up by hundreds of eager women, but he knows who to blame for it - Lily Taylor, the sexy, distracting, off-limits best friend of his kid sister. As far as he's concerned, the sooner this nightmare is over, the better. The last thing either of them expects is for Lily to wind up bidding on - and winning - Beau, or that their date will lead to Beau stepping in to save Lily when her past comes back to haunt her. As Beau does his best to keep Lily safe, they discover that maybe they don't dislike each other quite as much as they thought. In fact, maybe it's just the opposite...

The definition of a happy man? The guy who knows exactly what he wants and has it. That's Harry Porter. He's got the perfect job, the best buddies and no commitments beyond the next good time. It's the ideal life. Then he stops to help Pippa White when she's stranded by the side of the road. He's known—and liked—her for a while, but as the ex of a friend, she's entirely off-limits. And as fun as the banter with her is, Harry knows single moms are out of his league. So why all the excuses to see Pippa again...and again? And why can't he stop thinking about her? But most puzzling of all is how Harry suddenly wants to swap a night with the boys for one with only Pippa!
