Goldfayn also includes information for teaching your customer service people how to inform your current clients about what else they can buy from you. This proven approach revolves around letting your customers tell your story. There is nothing you can say about your products and services that is more effective than what your paying customers say. How does it work? Each day, take one quick, proactive communication action that tells someone about how they’ll be improved after buying from you. “Bess is among the most compassionate and intelligent characters.” –The Sun-Sentinel From the New York Times bestselling author of the Bess Crawford mystery series, a short story that unravels dark secrets from her close friend Simon Brandon’s past. Years before the Great War summoned Bess Crawford to serve as a battlefield nurse, the indomitable heroine spent her childhood in India under the watchful eye of her friend and confidant, the young soldier Simon Brandon. The two formed an inseparable bond on the dangerous Northwest Frontier where her father’s Regiment held the Khyber Pass against all intruders. It was Simon who taught Bess to ride and shoot, escorted her to the bazaars and the Maharami’s Palace, and did his best to keep her out of trouble, after the Crawford family took an interest in the tall, angry boy with a mysterious past. But the Crawfords have long guarded secrets for Simon and he owes them a debt that runs deeper than Bess could ever know. Told through the eyes of Melinda, Richard, Clarissa, and Bess, A Hanging at Dawn pieces together a mystery at the center of Bess’s family that will irrevocably change the course of her future.
