every area of nursing—adult care, psychiatric care, maternal-neonatal care, care of the child, leadership and management, and law and ethics. This edition includes a new chapter on how to prepare for the NCLEX®, plus 200 alternate-format questions and answers added to the appendix and accompanying CD-ROM. The book also includes an entertaining graphic novel depicting the NCLEX® process from application to license and valuable strategies for successfully passing the exam.

This second edition helps make preparing for the NCLEX more enjoyable. Each chapter is organized in a similar way, beginning with the review of crucial information and key concepts. Every area of nursing is covered, including adult care, psychiatric care, maternal-neonatal care, child care, and professional issues.
