"I believe in Spirits," Felicidad said. "I believe in making love," said Anibal. In a small town in Puerto Rico, Felicidad Hidalgo spends her days serving busybodies in her aunt's bakery, and her nights dreaming of home. Closing her eyes she can almost hear the sweet songs of tree frogs, reminding her of the mountain village of her childhood, and the family she hasn't seen in nearly a decade. Her new life in town has delivered her from poverty, but not from loneliness—until the afternoon Anibal walks through the door. Anibal Acevedo is not in need of a wife, but when he meets Felicidad while visiting family, he is stunned by the power of his attraction. Almost before he realizes what's happening, he has taken the girl into his bed and into his home—in Chicago. Yet soon the young lovers discover that married life is anything but idyllic. Can they find the courage to overcome the obstacles and temptations of their new world and rediscover the passion they once shared? Or will each find love and redemption in the arms of another? "Everything you want in a novel—flawed, complicated characters, lush descriptions, breathtaking plot, and a fierce beating heart." —Tayari Jones, award-winning author "A deeply felt and satisfying tale that brings attention to the courage required to sustain hope, love, and passion as a stranger in a new land." —Jonis Agee, award-winning author

Raised as a good Catholic and enjoying a successful career, beautiful home, and wealthy new husband, Ricardo, Heaven Diaz finds her life turned upside down by an encounter with the sexy and manipulative Gloria, who draws her into the center of a bloody drug war. Original.

The characters in this highly erotic graphic novel are more than just room-mates, much more. Readers will be amazed at just how quickly they swap between themselves and they're not afraid to share with others at parties either. Gorgeous full colour artwork with a knack for depicting irresistibly sweet chicas.

Su alma no descansa y estar por siempre en pena, refugindose en los confines del mundo, hasta el día del juicio final. Deambula por la tierra como un espíritu inquieto y misántropo en la soledad de los montes, en la obscuridad de las cuevas y en las ruinas de lo que un día fue. En las noches espanta a los testigos de su presencia. El cuento del duende, como se presenta en este libro, está basado en los relatos que nuestras abuelas nos contaban cuando éramos niños. Es una leyenda campesina, de nuestro folclore, con un lenguaje muy simple y breve, en la cual el duende, aunque era el villano, siempre resultaba siendo el victorioso. Era un personaje abominable y aterrador, que nos producía escalofríos y que indirectamente servía de admonición y correctivo a nuestro comportamiento. Sin embargo, al igual que nuestros abuelos y muchos otros tesoros de nuestras tradiciones que perdieron su vigencia con el pasar de los años, el duende comenzó a desaparecer, hasta casi quedar en el olvido. Con este libro no solo revivo en tiempo presente a este personaje mítico de nuestra cultura hispano-americana, sino que también lo ubico geográficamente en el lugar donde viví y disfruté mi niñez, le doy un origen, una identidad, un lugar en la historia y una voz con su versión de los hechos. Al final, si pudiéramos llamarlo así, le doy el desenlace que siempre quise para él en mis sueños, o mejor dicho, para las pesadillas en las que el duende fue protagonista en mi niñez.

While exploring the astral rifts, Madrid encounters a band of hunky, oh-so-innocent young monks who desperately need her help. She agrees, but not only will this decision test her resolve not to be the person she was, it will pit her against Natasha, the Queen of the Undead!
