Table of Contents Page Numbers1Introduction32Questions and Answers4-24INTRODUCTIONMany people around the world from different countries meet with each others on internet or they meet during studies or work or any other place and then they fall in love or decide for marriage. Getting marriage is much more difficult, for people from third world countries (like India, Pakistan or Bangladesh etc.) , with people from developed world countries (like USA, UK or Germany etc.) . After marriage to go with their life partners in their (developed) countries, it is also a big hurdle, even for some countries it takes years to go there. To get a Family Reunion Visa , there is a first most important step to take examination of A1 level Language examination of required country. So many people around the world specially third world countries spend much money and time to learn a concerned language. Then right ways preparation of documents and Interviews in embassy are also big hindrances. Now a days without a proper planning and preparation, it may be so hard or in some cases is impossible, to get a Family Reunion Visa, of developed world countries , for developing countries people. I have tried in this book to guide for Family Reunion Visa’s Interview in German Embassy. I have tried to cover some questions and answers of most asked by visa section in embassy. But it may be vary person to person case because every case is different.These questions and answers are related to a real Family Reunion Visa case. In this case, A Man was from Pakistan and his wife was from Germany. They both met on internet and they were married in Cyprus. After getting marriage they both were back to their countries. This Pakistani man has learned German Language A1 from Goethe, Institute, Upper Mall, Lahore. He has passed this examination in first attempt and his wife also helped on internet to learn this language. Then they have prepared documents and submitted there Family Reunion visa case in the German embassy in Islamabad. Embassy had taken interview at the time of documents submission. Then they were taken one interview once again from both.His wife was called for Interview in Ministry of Foreign Affairs (Ausländerbehörde) in Germany and he was called in German Embassy , Islamabad , at the same time. It took about a year for verifications of documents. An authorized man from embassy had also done verifications of documents and interview of applicant at home and his job place. Followings are given some questions and answers of this interview which may be helpful for anyone who is in the same situation. (These are mixed questions and answers asked from husband or wife or either both of them by visa officer.) These questions and answers were written before interview by both wife and husband and they have written them just for preparation of their interview. So it is not a responsibility of author about anything. There is no guarantee about what can be asked by visa officer of any embassy. I would advise every married couple should prepare questions and answers for an interview themselves together this way accordingly their situation and case, so they could have no problems regarding interview. If you are interviewing with a company, you are likely qualified for the job. Through the mere action of conducting the interview, the employer essentially implies this. So why is it difficult to secure the job you love? Because there are three reasons you actually get the job—none of which are your qualifications—and, unfortunately, you can only control one of them. INTERVIEW INTERVENTION creates awareness of these undetected reasons that pose difficulty for the job-seeker and permeate to the interviewer, handicapping the employer’s ability to secure the best talent. It teaches interview participants to use effective interpersonal communication techniques aimed at overcoming these obstacles. It guides job-seekers through the entire interview process to ensure they get hired. It teaches interviewers to extract the most relevant information to make sound hiring decisions. INTERVIEW INTERVENTION will become your indispensable guide to: ? Create self-awareness to ensure you understand the job you want before—not after—the fact. ? Conduct research to surface critical employer information. ? Share compelling stories that include the six key qualities that make them believable and memorable. ? Respond successfully to the fourteen most effective interview questions. ? Sell yourself and gather intelligence through effective question asking. ? Close the interview to ensure the interviewer wants to hire you.
