fashion to food, Lifestyle Journalism explores a wide variety of subjects within a growing field. This edited collection examines the complex dynamics of the ever-evolving media environment of lifestyle journalism, encompassing aspects of consumerism, entertainment and cosmopolitanism, as well as traditional journalistic practices. Through detailed case studies and research, the book discusses themes of consumer culture, identity, representation, the sharing economy and branding while bringing in important new aspects such as social media and new cultural intermediaries. International and cross-disciplinary, the book is divided into four parts: emerging roles; experience and identity in lifestyle media; new players and lifestyle actors; and lifestyle consumerism and brands.

Journalistenausbildung ein. In zwölf Länderstudien zeigt der Band, wie Akkreditierung Journalistenausbildung beeinflusst: in Finnland, Deutschland, den Niederlanden, Großbritannien, Irland, Schweiz, Russland, Georgien, Frankreich, Spanien, Ungarn und Rumänien. Der zweite Teil des Buches liefert eine vergleichende Analyse der Länderstudien, beschäftigt sich mit der über siebzigjährigen Erfahrung der US-amerikanischen Akkreditierung von Journalismusstudiengängen durch die ACEJMC und zeigt, wie Akkreditierung von Studiengängen in Europa fächerübergreifend organisiert ist. Die Herausgeberin ist Professorin an der Jade Hochschule in Wilhelmshaven und forscht dort zu Journalistenausbildung und Medienfreiheit.

From the bestselling author of *Women Talking*, a "wrenchingly honest, darkly funny novel" (*Entertainment Weekly*). Elf and Yoli are sisters. While on the surface Elfrieda's life is enviable (she's a world-renowned pianist, glamorous, wealthy, and happily married) and Yolandi's a mess (she's divorced and broke, with two teenagers growing up too quickly), they are fiercely close-raised in a Mennonite household and sharing the hardship of Elf's desire to end her life. After Elf's latest attempt, Yoli must quickly determine how to keep her family from falling apart while facing a profound question: what do you do for a loved one who truly wants to die? *All My Puny Sorrows* is a deeply personal story that is as much comedy as it is tragedy, a goodbye grin from the friend who taught you how to live.

Stellenbosch University's Department of Journalism celebrates its 40th anniversary with this publication reflecting on the four decades between 1978 and 2018 and all that happened behind 26 Crozier Street's front door. But, in essence, it celebrates a lot more. It is an assessment of the importance of the media's essential role in a democracy. This collection of essays, therefore, is a celebration of the inalienable right of freedom of expression, especially in the form of media freedom.

a profound impact on political journalism. The arrival of new digital media has affected the ways in which political actors communicate with the public, with or without journalists as intermediaries. Newspapers that once held political leaders to account are now struggling to survive; broadcasters that once gathered whole nations for the evening news are now fighting for relevance faced with innumerable new competitors on cable and digital television; online-only media, such as blogs and social networking sites, are changing how we communicate about politics. News media remain central to political processes, but the ways in which journalists and politicians interact are changing. This book examines how and provides a comprehensive and comparative analysis of the state of

In the face of the continuously changing challenges of the digital age, it is difficult for quality news journalism to survive on any significant scale if a means for adequately funding it is not available. This new study, a follow-up to 2007's *The Future of Journalism in the Advanced Democracies*, includes a comparative analysis of possible alternative business models that may save the future of the quality news business across the developed, intermediate, and developing worlds. Its detailed evaluation encompasses also the different ways in which wider key issues are affecting the prospects for quality news as a core ingredient of
