Complexions Contemporary Ballet

Contemporary Ballet is a genre of dance that incorporates elements of both classical ballet and modern dance. Often confused with modern dance (which is a separate style of dance all its own), contemporary ballet represents a departure from the restraints of traditional classical ballet technique and traditional rules of composition. Contemporary ballet has roots in the classical technique and vocabulary, but uses those roots as a place to explore, experiment, and challenge tradition.

Illustrated with abstract and imaginative photographs, this is a philosophical guide for the dance field about the art of teaching modern dance. Integrating somatic theories, scientific research and contemporary aesthetic practices, it asks the reader to reconsider how and why they teach.

Bringing together all of the major modern dance techniques from the last 80 years, this engaging account is the first of its kind. The informative discussion starts by mapping the historical development of modern dance: in the late 19th century, a new dance emerged—not yet known as modern dance—that rejected social strictures and ballet as well. With insight into the personalities and purposes of modern dance 's vanguard—including Martha Graham, Lester Horton, Jos é Lim ó n, and Merce Cunningham—this compilation provides a comparative approach that will enable students to discern which technique best suits them and dispel the idea that there is a single, universal modern dance technique. There are also ideas for experimentation so that students can begin developing an aesthetic sense for not only what is pleasing to their artistic eye, but also for what technical ideas are exciting while their own body is in motion. Sample lessons are included for teachers to incorporate the text into courses.

Dance students are introduced to the basic elements of movement, improvisation, choreography, and performance through discussions and exercises that encourage learning

Making Music for Modern Dance traces the collaborative approaches, working procedures, and aesthetic views of the artists who forged a new and distinctly American art form during the first half of the 20th century. The book offers riveting first-hand accounts from innovative artists in the throes of their creative careers and provides a cross-section of the challenges faced by modern choreographers and composers in America. These articles are complemented by excerpts from astute observers of the music and dance scene as well as by retrospective evaluations of past collaborative practices. Beginning with the careers of pioneers Isadora Duncan, Ruth St. Denis, and Ted Shawn, and continuing through the avant-garde work of John Cage for Merce Cunningham, the book offers insights into the development of modern dance in relation to its music. Editor Katherine Teck's introductions and afterword offer historical context and tie the artists' essays in with collaborative practices in our own time. The substantive notes suggest further materials of interest to students, practicing dance artists and musicians, dance and music history scholars, and to all who appreciate dance.

Stories about dancers and the world of dance come together in this collection of entertaining and informative anecdotes that captures the variety and richness of dance as an art form, a tradition, a pastime, an obsession, a reality, and, for the dancer, an ideal.
