If your employees can look up your vacation policy and see it written in black and white, you're likely to have fewer discussions with them about the rules and exceptions. Why use an employee manual in a bar. An employee manual describes your company's rules and procedures for every employee. This documentation is the same for all employees,

Your policy and procedure manual defines the rights and obligations of the employee and the employer. The policy manual is a written expression of the rules governing the employer/employee relationship. It is essential, today more than ever, for a company to protect its rights within that relationship by policies that are both fair and legal.
