Beyond the Bronze Pillars is an innovative and iconoclastic look at the politico-cultural relationship between Vietnam and China in the sixteenth to nineteenth centuries. Overturning the established

Download Ebook Beyond Hing

view that historically the Vietnamese sought to maintain a separate cultural identity and engaged in tributary relations with the Middle Kingdom solely to avoid invasion, Liam Kelley shows how Vietnamese

Download Ebook Beyond Hing

literati sought to unify their cultural practices with those in China while fully recognizing their country's political subservience. He does so by examining a body of writings known as Vietnamese "envoy

Download Ebook Beyond Hing

poetry." Far from advocating their own cultural distinctiveness, Vietnamese envoy poets expressed a profound identification with what we would now call the Sinitic world and their political status as vassals

in it. In mining a body of rich primary sources that no Western historian has previously employed, Kelley provides startling insights into the pre-modern Vietnamese view of their world and its politico-

This book is about surviving the storm. One day the sun is shining, the winds are calm, and the water is smooth—then all of a sudden,

Download Ebook Beyond Hing

a furious storm comes out of nowhere, and the waves break over you and knock you off your feet. Grasping for breath, you struggle to regain your senses. You turn your eyes to heaven in search of help—but sometimes

Download Ebook Beyond Hing

you can't see the help, and sometimes you don't know if you're heard. This book is written by and for storm travelers. To help you survive your storm, Jerry Jones freely shares his own hard-earned insights gained

Written by scholars of various disciplines, the essays in this volume dig beneath the veneer of Hawai'i's myth as a melting pot paradise to uncover historical and complicated cross-racial dynamics. Race

Download Ebook Beyond Hing

is not the primary paradigm through which Hawai'i is understood. Instead, ethnic difference is celebrated as a sign of multicultural globalism that designates Hawai'i as the crossroads of the Pacific. Racial

Download Ebook Beyond Hing

inequality is disruptive to the tourist image of the islands. It ruptures the image of tolerance, diversity, and happiness upon which tourism, business, and so many other vested transnational

Download Ebook Beyond Hing

interests in the islands are based. The contributors of this interdisciplinary volume reconsider Hawai'i as a model of ethnic and multiracial harmony through the lens of race in their analysis of historical

Download Ebook Beyond Hing

events, group relations and individual experiences, and humor, among other focal points. Beyond Ethnicity examines the dynamics between race, ethnicity, and indigeneity to challenge the primacy of ethnicity and

Download Ebook Beyond Hing

cultural practices for examining difference in Hawai'i while recognizing the significant role of settler colonialism. This original and thought-provoking volume reveals what a racial analysis

Download Ebook Beyond Hing

illuminates about the current political configuration of the islands and, in doing so, challenges how we conceptualize race on the continent. Recognizing the ways that Native Hawaiians or Kānaka Maoli

Download Ebook Beyond Hing

are impacted by shifting, violent, and hierarchical colonial structures that include racial inequalities, the editors and contributors explore questions of personhood and citizenship through language, land,

Download Ebook Beyond Hing

labor, and embodiment. By admitting to these tensions and ambivalences, the editors set the pace and tempo of powerfully argued essays that engage with the various ways that Kānaka Maoli and the influx of

Download Ebook Beyond Hing

differentially racialized settlers continue to shift the social, political, and cultural terrains of the Hawaiian Islands over time.

The crisis of borders and prisons can be seen starkly

Download Ebook Beyond Hing

in statistics. In 2011 some 1,500 migrants died trying to enter Europe, and the United States deported nearly 400,000 and imprisoned some 2.3 million people--more than at any other time in history.

Download Ebook Beyond Hing

International borders are increasingly militarized places embedded within domestic policing and imprisonment and entwined with expanding prison-industrial complexes. Beyond Walls and Cages offers

Download Ebook Beyond Hing

scholarly and activist perspectives on these issues and explores how the international community can move toward a more humane future. Working at a range of geographic scales and locations, contributors

Download Ebook Beyond Hing

examine concrete and ideological connections among prisons, migration policing and detention, border fortification, and militarization. They challenge the idea that prisons and borders create

Download Ebook Beyond Hing

safety, security, and order, showing that they can be forms of coercive mobility that separate loved ones, disempower communities, and increase shared harms of poverty. Walls and cages can also fortify wealth and

Download Ebook Beyond Hing

power inequalities, racism, and gender and sexual oppression. As governments increasingly rely on criminalization and violent measures of exclusion and containment, strategies for achieving change are

Download Ebook Beyond Hing

essential. Beyond Walls and Cages develops abolitionist, no borders, and decolonial analyses and methods for social change, showing how seemingly disconnected forms of state violence are interconnected. Creating a

more just and free
world--whether in the Mexico-
U.S. borderlands, the
Morocco-Spain region, South
Africa, Montana, or
Philadelphia--requires that
people who are most affected

crosscurrents of
criminalization and
militarization.

The Chinese in Southeast Asia, with their growing economic clout, have been attracting attention from politicians, scholars and observers in recent decades. The rise of China as a global economic power and

Download Ebook Beyond Hing

its profound influence over Southeast Asia has cast a spotlight on the role of Southeast Asian Chinese in the region's economic relations with China. The Southeast Asian Chinese as an economic force and their

Download Ebook Beyond Hing

growing importance with China are, to a certain extent, determined by the nature and development of their communities. This book uses a multifaceted approach to unravel the forces that helped to transform the

communities in the past. Containing 17 papers written within a span of six and a half years, from 2000 to 2006, the book focuses on the social, economic and political aspects of these communities, with special
