The largest financial example of Servant Leadership to change the world is being led by Bill and Melinda Gates via their Bill and Melinda Gates Foundation. They decided to put more than \$35 Billion into a foundation they created to address a wide range of global issues.

There is a crisis in Leadership. "Harvard Business Review" recently stated that business executives are least likely to contribute to society. Self-serving leadership has eroded our confidence with wide-spread scandals, significant layoffs, and insane executive bonuses. Loyalty seems to be a one-way street! What is the solution? "The Art of Servant Leadership" provides a prophetic voice in overcoming the craziness within business and a guidebook on how any public or private company can achieve its true purpose in this world. Intertwoven with the principles of servant leadership is a story of how one CEO transformed his international communications company to exist for the sake of others. About the Author Tony Baron is president of the Servant Leadership Institute, a division of Datron World Communications, headquartered in Vista, California. He holds a double doctorate in psychology and theology and serves as adjunct professor in pastoral theology and leadership development at Fuller Theological Seminary and Azusa Pacific University. Dr. Baron teaches, trains, and consults with corporate and church leaders around the world on how to live for the sake of others. He has authored four previous books. An ordained Anglican priest, Dr. Baron is board certified in forensic medicine and is a diplomate of the American board of Psychological Specialties.

The focus of this book is on how applying the principles, practices, strategies, and strengths of servant leadership can help leaders revolutionize their leadership culture and practices to maximize performance outcomes, whose core strength is in serving others first. It prepares and equips leaders-whether at the corporate, educational, church, community, NGOs, private, public, and family context-with the complete understanding of the spectrum of the model and to show why it is a viable leaders

Today, it is essential for leaders to interact closely within an organization's community to effectively promote its organizational development. Understanding trust at the individual level allows for business improvement. Servant Leadership Styles and Strategic Decision Making provides the relevant theoretical framework and the latest empirical research on servant leadership styles and cognitive styles from an Eastern perspective. Featuring coverage on a variety of topics including autocratic leadership, leadership effectiveness, and organizational support, this book explores decision-making theories as moderators and mediators for leadership effectiveness. This book is designed for managers, professionals, researchers, educators, and administrators seeking current research on participative leader decision making and philosophy.

If you have the qualities of leadership greatness the GREAT factors no one can stop you from becoming a leader. Great leadership does not start with what you already know, nor is about what you say about yourself and your achievements. Instead, leadership greatness is what other people say about you after you have achieved some measure of success. In Leadership Greatness, author Tri Junarso guides you through the five qualities of being GREAT Growth, Responsibility, Entrepreneurship, Authenticity, and Trust. Junarso frames these qualities in the context of both the competencies and skills that distinguish a leader. Imbuing your values and work ethic with these qualities will help you review, reframe, and build upon past experiences as you move initiatives forward. Junarso explains how to combine ethical, social, spiritual, and psychological competencies with a range of leadership and communication skills. By following Junarso's detailed and well-organized principles, you will develop the qualities of GREAT-ness. Most importantly, GREAT leadership will allow you spread influence throughout your organization, ultimately leading to successful outcomes. With its massive reference section, you'll use this book as a go-to guide each time you seek leadership inspiration.

Seven Pillars of Servant Leadership (Rev.) offers concrete, functional skills necessary to practice servant leadership—to lead by serving first.

To Lead a Good Life... is a self-help book, featuring a collection of sixty-two, motivational stories, inspirational essays, and lessons on effective leadership. From cover to cover, it offers unique examples of people with a little moxie, finding their strength, courage, and passion.

Why have small churches remained small? And why has this mandate in Mark 16: 15 not impacted the thousands of small, denominational churches across the country? When you consider the plan of salvation, how can a church not grow? Because of the positive growth in many nondenominational churches, some church leaders falsely assume they can have the same results by abandoning their denominational heritage. However, most people are attracted to a particular church because they feel welcomed by the people in that church, and because of that church's unique ministry in their community. While it may be helpful to de-emphasize the denominational connection, it is a mistake to abandon it. As you read "The Little Brown Church in the Vale," you will be challenged to take a fresh look at the direction your ministry and your church is taking.

Glen DeZeeuw is a firm believer in the concept of life long learning and continues to work on learning more. Throughout his career, he has studied leadership and is an avid reader of books on leadership. In this, the author's first book, DeZeeuw wants to share some of the timeless principles he has learned over the span of his leadership career. Born and raised in northwest Iowa, Glen graduated from Iowa State University in Ames, Iowa in 1969, and joined the Northwestern Mutual shortly thereafter. His 40 year career with Northwestern Mutual included time in sales, in field leadership in both Iowa and Colorado, and as Vice President of Agency Development in the Home Office in Milwaukee. Following his retirement from Northwestern Mutual in 2009, Glen returned to Colorado and founded Lifesong Consulting LLC, a consulting firm dedicated to helping people grow in their leadership skills. DeZeeuw is highly regarded as a speaker, and continues to do motivational talks across the country. He and his wife, Carolyn, were married in 1968, and now reside near Windsor, Colorado. They feel very blessed to live in such a beautiful place. They are both active in their church and love to spend time with their grandsons. Glen's interests include doing crossword puzzles, golfing, bicycling, hiking, and reading.

Building on the congregational strategic planning resource, "Does Your Church Have a Prayer?" this Participant's Book will guide Lay Servants seeking to be more empowered to lead their congregations toward vitality. Written with two distinct purposes, Lay Servants as Christian Transformational Leaders will first define the three disciplines of Christian transformational leadership and the four qualities of Christian transformational leaders. The accompanying Leader's Guide is in PDF form and is also available for downloading here.

A Company's greatest resource is the people who work for it. How leaders activate the enormous potential of their employees makes the difference between organizational success and mediocrity. This book identifies the key "people propositions" that are practiced by enlightened companies, and invites leaders to transform their places of work and the lives of the people they lead. Starting with a survey of six hundred organizations, the author goes on to identify the four different ways in which companies treat and value their employees, offering detailed examples of outstanding companies. The author also introduces the reader to the key concepts of "The Purposeful Leader," "The Principled Leader," "The Resolute Leader," and "The Exemplary Leader." Based on the author's decades of leadership experience, and imbued with a healthy balance of theory and practice, this dynamic book encourages leaders to take the bold steps necessary to embrace excellence.
