A new, definitive edition of Herman Melville's virtuosic short stories--American classics wrought with scorching fury, grim humor, and profound beauty Though best-known for his epic masterpiece Moby-Dick,

Read PDF Billy Budd And Other Stories Herman

Herman Melville also left a body of short stories arguably unmatched in American fiction. In the sorrowful tragedy of *Billy Budd, Sailor*; the controlled rage of *Benito Cereno*; and the tantalizing enigma of *Bartleby, the Scrivener*; Melville reveals himself as a singular storyteller of tremendous range and compelling power. In these stories, Melville cuts to the heart of race, class, capitalism, and globalism in America, deftly navigating political and social issues that resonate as clearly in our time as they did in Melville's. Also including *The Piazza Tales* in full, this collection demonstrates why Melville stands not only among the greatest writers of the nineteenth century, but also as one of our greatest contemporaries. This Penguin Classics edition features the Reading Text of *Billy Budd, Sailor*, as

edited from a genetic study of the manuscript by Harrison Hayford and Merton M. Sealts, Jr., and the authoritative Northwestern-Newberry text of *The Piazza Tales*. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

If Melville had never written *Moby Dick*, his place in world literature

Melville would be assured by his short tales. "Billy Budd, Sailor," his last work, is the masterpiece in which he delivers the final summation in his "quarrel with God." It is a brilliant study of the tragic clash between social authority and individual freedom, human justice and abstract good. Melville also explores this theme in "Bartelby the Scrivener," his famous story about a Wall Street law clerk who takes passive resistance to a comic—and ultimately disastrous—extreme; and in "Benito Cereno," his dazzling account of oppression and rebellion on a nineteenth-century slave ship. Completing this collection of great tales are the eerie "The Encantados," the beautiful, romantic "The Piazza," and Melville's chilling science fiction parable, "The Bell-Tower."

Read PDF Billy Budd And Other Stories Herman

Cheerful, hardworking, and handsome, Billy is pressed into naval service aboard a British ship during the Napoleonic wars. The innocent and lovable young man quickly wins the hearts of all his comrades, save one: Claggart, the implacably bitter master-at-arms, who falsely accuses Billy of inciting mutiny. Rich in ambiguities, Herman Melville's haunting parable of the clash between good and evil raises thought-provoking issues related to the conflict between the requirements of the law and the needs of humanity. This is the definitive edition of Melville's classic tale. Billy Budd, Sailor was discovered unfinished in the author's desk shortly after his 1891 death and remained unpublished until 1924. This text is the result of years of study and

scrupulous research by Melville scholars. It offers students and other lovers of literature the best and most authentic version of the American storyteller's final masterpiece.

'Truth uncompromisingly told will always have its ragged edges.' So wrote Melville of Billy Budd, Sailor, among the greatest of his works and, in its richness and ambiguity, among the most problematic. As the critic E. L. Grant Watson writes, 'In this short history of the impressment and hanging of a handsome sailor-boy are to be discovered problems as profound as those which puzzle us in the pages of the Gospels.' Outwardly a compelling narrative of events aboard a British man-of-war during the turmoil of the Napoleonic Wars, Billy Budd, Sailor is a nautical recasting of

the Fall, a parable of good and evil, a meditation on justice and political governance, and a searching portrait of three extraordinary men. The passion it has aroused in its readers over the years is a measure of how deeply it addresses some of the fundamental questions of experience that every age must reexamine for itself. The selection in this volume represents the best of Melville's shorter fiction, and uses the most authoritative texts. The eight shorter tales included here were composed during Melville's years as a magazine writer in the mid 1850's and establish him, along with Hawthorne and Poe, as the greatest American story writer of his age. Several of the tales - Bartleby the Scrivener, Benito Cereno, The Encantadas, The Paradise of Bachelors and the Tartarus of Maids -

Man, The Encantadas, The Bell-Tower, and The Town-Ho's Story.

Hayford and Sealts's text was the first accurate version of Melville's final novel. Based on a close analysis of the manuscript, thoroughly annotated, and packaged with a history of the text and perspectives for its criticism, this edition will remain the definitive version of a profoundly suggestive story. "The texts are impeccably accurate. . . . The collection is accompanied by an unobtrusive but expert annotation. . . . Probably Melville's finest short work, the incomplete 'Billy Budd,' [is] a striking reworking of the crucifixion set in the English maritime service of the Revolutionary period."—John Sutherland, *The Los Angeles Times*

Read PDF Billy Budd And Other Stories Herman

HarperCollins is proud to present its new range of best-loved, essential classics. 'Struck dead by an angel of God! Yet the angel must hang!' It is the end of the eighteenth century, and the navy recruits the eponymous hero - the 'Handsome Sailor' - to its fleet. Accused of mutinous behaviour, Billy Budd is forced to defend himself, but his fearful, silent response soon gives way to a terrible act of violence. The consequences are disastrous, and nothing can prevent the force of judgment and eventual justice upon him. Discovered among Melville's papers after his death and published posthumously in 1924, 'Billy Budd' is a powerful tale of guilt and innocence, crime and punishment, and the cost of adhering to duty. From the author of 'Moby Dick', Melville's allegorical tales are loaded with symbolism, and

showcase his distinctive writing style and themes in shorter form.

Billy Budd, Sailor and Bartleby, the Scrivener are two of the most revered shorter works of fiction in history. Here, they are collected along with 19 other stories in a beautifully redesigned collection that represents the best short work of an American master. As Warner Berthoff writes in his introduction to this volume, "It is hard to think of a major novelist or storyteller who is not also a first-rate entertainer . . . a master, according to choice, of high comedy, of one or another robust species of expressive humour, or of some special variety of the preposterous, the grotesque, the absurd. And Melville, certainly, is no exception. A kind of vigorous supervisory humour is his natural

Idiom as a writer, and one particular attraction of his shorter work is the fresh further display it offers of this prime element in his literary character."

Gathers all of Melville's short stories and novellas, including "Billy Budd, Sailor," "Bartleby, the Scrivener," and "Benito Cereno"

This collection of short stories is the only such book published in Melville's lifetime. "Bartley the Scrivener," the collection's most famous story, concerns a clerk who works as a copyist for a well-to-do Manhattan lawyer. Bartleby steadfastly refuses to perform any of the tasks required by his job and his reply, "I would prefer not to," comes to haunt his employer. Today "Bartleby" is considered one of

Read PDF Billy Budd And Other Stories Herman

the most significant American short stories and a precursor to the absurdist fiction of Franz Kafka. Also notable is the novella "Benito Cereno." The story concerns a slave rebellion on board a Spanish slave-trading ship in 1799 and is noted for its foreboding atmosphere and dark, complex plot. Another novella in the collection, "The Encantadas," offers a philosophical look at the Galápagos Islands.
