and bring them to you.' Henry Rollins, renowned spoken-word performer, musician, actor and author of several books, has a unique, hard-edged view of the world. This collection of writings from 1989 - 1991 is the classic Rollins book. From dramatic fiction shorts detailing stark, disturbing realities to gut-wrenching tour journals destroying all misconceptions of the glamour of fame and the music industry; from the challenging poetry to revealing dream sequences, Rollins' writing is unflinching in its honesty, uncompromising in its truth and irresistibly addictive.

In *Do I Come Here Often?* Henry Rollins intimately documents the vicissitudes of travel and shares stories of the many interesting people he's met along the way. *Do I Come Here Often?* is the second book in the Black Coffee Blues series, the next volume titled *Smile, You're Traveling* is under construction.

Using his trademark wit, insight and verve, icon Henry Rollins shares journals from his gruelling world tours of 1997 and 1998, as well as a record of the fulfilment of his longstanding dream to journey through Africa. He takes

us on a rollercoaster of highs and lows, frustrations and exhilaration - from roving gangs of baboons in Kenya to haggling with immigration officials in Madagascar and his thoughts on meeting his childhood heroes, Black Sabbath - and finds a way to make his unique experiences accessible and meaningful to us all.

For the past 25 years, Henry Rollins has photographed the most desolate and inhospitable corners of the Earth, and his powerful vision has been harnessed in this photographic essay. Though he is known for the raw power of his expression, Rollins has shown that the greatest statements can be made

with the simplest of acts: to bear witness; to be present. This collection is an invitation to do the same. The book pairs Rollins' visceral photographs--taken in Afghanistan, Bangladesh, Burma, Cambodia, India, Indonesia, Kuwait, Kyrgyzstan, Mali, Nepal, North Korea, Northern Ireland, Saudi Arabia, Siberia, Sri Lanka, Thailand, and Vietnam--with writings that provide context and political commentary and thereby magnify the impact of the images. This is a visual testimony of anger, suffering, resilience in the face of tragedy, and the quiet, stronger forces of healing, solidarity, faith, and joy.

Henry Rollins's thought-provoking pieces about the life and times of a world-traveling entertainer are always intense and often humorous. In this book he chronicles a year spent rehearsing, recording, and touring for the Rollins Band's last-ever album, *Come in and Burn*, and shares travel stories from his trip around the world.

heartsick, overcaffeinated characters and dialogue that sizzles off a greasy diner grill. Enter a mournful veteran's mind as he loses his grip on reality. Join an all-female extermination squad hunting down despicable men. Wait at the bar with two soul mates as they battle their stormy past and try to bring a cold love back to a boil. These nine moving, funny, and, at times, terrifying stories explore how people meander in and out of each other's lives, why family bonds are the hardest to navigate and break, and how hope lights a path even in the darkest of coffee cups.
