Winner of the Pulitzer Prize and the National Book Critics Circle Award Black Zodiac offers poems suffused with spiritual longing—lyrical meditations on faith, religion, heritage, and morality. The poems also explore aging and mortality with restless grace. Approaching his vast subjects by way of small moments, Wright magnifies details to reveal truths much larger than the quotidian happenings that engendered them. His is an astonishing, flexible, domestic-yet-universal verse. As the critic Helen Vendler has observed, Wright is a poet who "sounds like nobody else."

Poems lyrically contemplate the themes of faith, religion, heritage, and morality

In a new anthology of poetry, the author of Chickamauga lyrically contemplates the themes of faith, religion, heritage, and morality.

Negative Blue is the culmination of the cycle that won Wright the Pulitzer Prize and National Book Critics Circle Award. earth that grind us to grain-out. --from "Still Life with Spring and Time to Burn" When Charles Wright published *Appalachia* in 1998, it marked the completion of a nine-volume project, of which James Longenbach wrote in the *Boston Review*, "Charles Wright's trilogy of trilogies--call it 'The Appalachian Book of the Dead'--is sure to be counted among the great long poems of the century." The first two of those trilogies were collected in *Country Music* (1982) and *The World of the Ten Thousand Things* (1990). Here Wright adds to his third trilogy (*Chickamauga* [1995], *Black Zodiac* [1997], and *Appalachia* [1998]) a section of new poems that suggest new directions in the work of this sensuous, spirit-haunted poet.

Co-winner of the 1983 National Book Award for Poetry, *Country Music* is comprised of eighty-eight poems selected from Charles Wright ' s first four books published between 1970 and 1977. From his first book, *The Grave of the Right Hand*, to the extraordinary *China Trace*, this selection of early works represents " Charles Wright ' s grand passions: his desire to reclaim and redeem a personal past, to make a reckoning with his present, and to conjure the terms by which we might face the future, " writes David St. John in the forward. These poems, powerful and moving in their own right, lend richness and insight to Wright ' s recently collected later works. " In *Country Music* we see the same explosive imagery, the same dismantled and concentric (or parallel) narratives, the same resolutely spiritual concerns that have become so familiar to us in Wright ' s more recent poetry, " writes St. John.

A collection by the winner of the Pulitzer Prize, National Book Award and other prestigious accolades meditates on life and nature while exploring the author's restless pursuit of a divine reality.

This volume, Wright's eleventh book of poetry, is a vivid, contemplative, far-reaching, yet wholly plain-spoken collection of moments appearing as lenses through which to see the world beyond our moments. Chickamauga is also a virtuoso exploration of the power of concision in lyric poetry--a testament to the flexible music of the long line Wright has made his own. As a reviewer in Library Journal noted: "Wright is one of those rare and gifted poets who can turn thought into music. Following his self-prescribed regimen of purgatio, illuminatio, and contemplatio, Wright spins one lovely lyric after another on such elemental subjects as sky, trees, birds, months, and seasons. But the real subject is the thinking process itself and the mysterious alchemy of language: 'The world is a language we never quite understand.'"

The sun has set behind the Blue Ridge, And evening with its blotting paper lifts off the light. Shadowy yards. Moon through the white pines --"Landscape with Missing Overtones" Never has Charles Wright's vision been more closely aligned with the work of the ancient Chinese painters and writers who inform his poetry than in his newest collection. Wright's short lyrics,

in Charles Simic's words, "achieve a level of eloquence where the reader says to himself, if this is not wisdom, I don't know what is" (The New York Review of Books). The poems in Buffalo Yoga are pristine examples of the Tennessee poet's deft, painterly touch--"crows in a caterwaul" are "scored like black notes in the bare oak"--and his oblique, expansive, and profound interrogation of mortality, as in the title sequence, where the soul is "a rhythmical knot. / That form unties. Or reties."

Almost thirty years ago, Charles Wright (who teaches at the University of Virginia in Charlottesville and has won both the Pulitzer Prize and the National Book Award for Poetry) began a poetic project of astonishing scope--a series of three trilogies. The first trilogy was collected in Country Music, the second in The World of the Ten Thousand Things, and the third began with Chickamauga and continued with Black Zodiac. Appalachia is the last book in the final trilogy of this pathbreaking and majestic series. If Country Music traced "Wright's journey from the soil to the stars" and The World of the Ten Thousand Things "lovingly detailed" our world and made "a visionary map of the world beyond" (James Longenbach, The Nation), this final book in Wright's great work reveals a master's confrontation with his own mortality and his stunning ability to discover transcendence in the most beautifully ordinary of landscapes.
