When the story of a kidnapped girl triggers unexplained memories, Zoe Adams is determined to figure out why--a search that leads her to one of the Lone Star State's richest families and P.I. Tyler Lopez, and causes her to become a hit man's target. Original. 75,000 first printing.

New York Times bestselling author Christie Craig returns with her next heart-stopping romantic suspense about a woman on the run and the man trying to uncover her secrets. Police detective Juan Acosta doesn't only carry scars on the outside. He's filled with guilt and anger ever since his undercover job led to the murder of those he loved the most. Now he's living for one thing: revenge. That is, until Juan meets his beautiful new neighbor. Vicki Holloway prides herself on being capable and independent, but her life is turned upside down when her sister Sara is killed by an abusive ex. Fearing for the safety of her niece, Vicki and the little girl go into hiding...resurfacing in Texas with new identities. Juan finds his once-frozen heart thawing around Vicki, but he knows she's hiding something. Juan needs answers, but Vicki isn't talking. She has to keep her secrets if she wants to keep Bell safe, which means resisting her growing feelings for the sexy, scarred man next door. But when Juan's quest for justice brings danger to her door, divulging the truth might be the only thing that keeps her alive. Includes the bonus novella "Hot Target" by April Hunt!

A sassy, laugh-out-loud second-chance romance from USA Today bestseller Carolyn Brown, author of The Strawberry Hearts Diner and The Ladies' Room . The last time Lila Harris was in Happy, Texas, she was actively earning her reputation as the resident wild child. Now, a little older and wiser, she's back to run her mother's cafe for the summer. Except something about this town has her itching to get a little reckless and rowdy, especially when she sees her old partner-in-crime, Brody Dawson. Their chemistry is just as hot as ever. But he's still the town's golden boy-and she's still the wrong kind of girl. Brody hasn't had much time lately for anything other than ranching. Running the biggest spread in the county and taking care of his family more than keeps him busy. All that responsibility has him longing for the carefree days of high school-and Lila. She may have grown up, but he still sees that spark of mischief in her eyes. Now he's dreaming about late-night skinny dipping and wondering how he can possibly resist the one woman he can never forget..."Carolyn Brown makes the sun shine brighter and the tea taste sweeter. Southern comfort in a book." -Sheila Roberts, USA Today bestselling author More in the Happy, Texas series: Long, Tall Cowboy Christmas Luckiest Cowboy of All

In this dark and dangerous Texas small town, Annie Lakes' nightmares come alive when a cold case from her past reveals family secrets that put her life in jeopardy. Annie Lakes has had the same recurring nightmare for years. Her heart pounding in her chest. A panicked voice, begging her to run faster. Her own bloodcurdling scream. But now Annie is starting to realize it's more than just a bad dream. She's starting to remember things about the night her cousin Jenny disappeared all those years ago. Things that make her believe her family was involved--and what they're hiding is much worse than she ever imagined. But she can't unravel this alone. She needs someone she can trust, someone like sexy Detective Mark Sutton Mark has seen enough--too much--to assume that Annie's story is a dead end. It turns out that her family is hiding some killer secrets. A long time ago, Annie was just an innocent little girl who saw something she shouldn't. Now she's a target, and Mark's running out of time to protect the woman he's starting to fall for. But how does Mark face off against a murderer who just may be someone Annie loves?

*Previously appeared in the anthology Christmas Kisses with My Cowboy For one lonesome cowboy, an icy cold Christmas back at the ranch brings the coziest kind of trouble . . . To claim his slice of the family ranch, Texas Ranger Noah is forced back to Tucker's Crossing. All he expects to find is a tractor load of painful memories¶until a holiday storm, a power outage¶and perhaps the magic of Christmas¶deliver him to rescue an intriguing woman named Faith. But just who's rescuing whom? ¶A perfect mix of heart and heat, Adair keeps the pages turning.¶ ¶New York Times bestselling author Jill Shalvis ¶Marina Adair is a breath of fresh air.¶ ¶New York Times bestselling author Darynda Jones ¶Perfect for fans of finding love, cowboys and Christmas.¶ ¶Shelf Awareness on Christmas with My Cowboy ¶Warm, funny, wonderful stories about loveable characterS in genuine situations. I can't wait for every new release!¶ ¶New York Times bestselling author RaeAnne Thayne

Lewis McCabe fell for Lexie Remington long ago. But as a shy and awkward teenager he thought he had no chance with her. Now he's a successful business owner and ready to romance Lexie, who's back in their hometown of Laramie, Texas. However, Lexie, an image stylist to the stars, thinks Lewis is asking for her professional help. So in order to spend time with the woman of his dreams, Lewis agrees to a makeover. Lexie is determined to see Lewis as just a client, no matter how she's starting to feel. But Lewis has other plans ¶ he wants Lexie to stay in Laramie for good. And he wants a lot more than just a new look. Whatever happens, they can blame it on Texas!

New York Times best-selling author Leland Gregory is definitely messing with Texas in his book Stupid Texas. This time, Leland--who has so entertainingly highlighted humanity's stupidity in the areas of crime, business, love, politics, cruelty, and history--collects evidence to prove the widespread belief that deep in the heart of Texans lies an extraordinary capacity for absurdity. Culled from print, online, and broadcast media, Stupid Texas is an uproarious collection of true stories, trivia, and factoids about the Lone Star State, such as:
* "In 1875, James Stephen Hogg, the first native-born Texan to become the state's governor, named his daughter--Ima."
* "In 1984, a Texas District Court judge sentenced a 31-year-old Houston man to 35 years in prison--for stealing a 12-ounce, \$2 can of Spam."
Ridiculous, outrageous, bizarre, and comical, Stupid Texas is ideal for both kinds of people--those who love Texas and those who hate it.

Deputy Wyatt Jordan isn't sure he's sticking around Evansville, Texas much longer. The oil boom is winding down, the oil camps are closing and he's stuck working nights, which he hates. Until he gets a call from a damsel in distress. Nurse Jolie Guenther has just moved into the house by the cemetery with her roommates. If the location isn't eerie enough, she starts hearing strange sounds at night. Luckily, the cute deputy she's encountered a few times is available to help any time she needs him, whether he's rounding up trespassers, taking her shooting or making her a brisket. A series of crises throw them together, so they work side by side to help their neighbors, finding that the more they build on each other's strengths, the deeper their feelings go. This good-hearted, hard-working woman is reason enough to stay right where he is.

Nikki Hunt thought her night couldn't get worse when her no-good, cheating ex ditched her at dinner, sticking her with the bill. Then she found his body stuffed in the trunk of her car and lost her two-hundred-dollar meal all over his three-thousand-dollar suit. Now not only is Nikki nearly broke, she's a murder suspect. Former cop turned PI, Dallas O'Connor knows what it's like to be unjustly accused. But one look at the sexy-though skittish-suspect tells him she couldn't hurt anyone. The lead detective, Dallas's own brother, has the wrong woman and Dallas hopes a little late-night "undercover" work will help him prove it . . .
