---

Collects traditional and contemporary Indian recipes for appetizers, entrées, side dishes, beverages, and desserts.

Return to the Rivers is an incredible collection of recipes, photos, and memories as a means to preserve and share the sacred foodways, values, and simple gifts of friendship that the Himalayan people bestowed Khanna. Exploring the regions the great Himalayas directly touch upon Bhutan, Nepal, Tibet, Northern India, Myanmar, Western China, Pakistan Khanna was met with immeasurable kindness and hospitality. The dishes are beautifully simple and appealing, such as Eggplant Fritters with Ginger, Spinach and Cheese Momos, Chile-Scallion Buckwheat Noodles, Nepalese Black Lentils and Rice, Burmese Fish Noodle Soup, Pressed Rice with Yogurt and Almonds, and Tibetan Scallion Pancakes. Nominated for both a James Beard Award and the IACP Cookbook Award."

International Relations covers the subject from the historical perspective|from the eve of the First World War to the end of the Cold War and beyond. This book is divided into two sections | the first deals with the theoretical perspectives, while the second provides an historical overview of events. These include the two World Wars, problems faced in peace-making, system of alliances, search for security, Nazism and Fascism, rise of communism, the arms race and disarmament, the Cold War and its end, Non- Aligned Movement, and the emergence of regional organizations. The book is a useful resource for teachers and students of history and political science, those appearing for civil services examinations, as well as those interested in international relations.

"ninety percent of who you are is invisible." Amedeo Kaplan seems just like any other new kid who has moved into the town of St. Malo, Florida, a navy town where new faces are the norm. But Amedeo has a secret, a dream: More than anything in the world, he wants to discover something -- a place, a process, even a fossil -- some treasure that no one realizes is there until he finds it. And he would also like to discover a true friend to share these things with. William Wilcox seems like an unlikely candidate for friendship; an aloof boy who is all edges and who owns silence the way other people own words. When Amedeo and William find themselves working together on a house sale for Amedeo's eccentric neighbor, Mrs. Zender, Amedeo has an inkling that both his wishes may come true. For Mrs. Zender's mansion is crammed with memorabilia of her long life, and there is a story to go with every piece. Soon the boys find themselves caught up in one particular story -- a story that links a sketch, a young boy's life, an old man's reminiscence, and a painful secret dating back to the outrages of Nazi Germany. It's a story that will take them to the edge of what they know about heroism and the mystery of the human heart. Two-time Newbery winner E. L. Konigsburg spins a magnificent tale of art, discovery, friendship, history, and truth.

Khanna Sutra: Food Lessons in Love presents a rich collection of recipes guaranteed to make the experience of cooking for your loved ones, an enjoyable one. In each recipe, Chef Vikas Khanna invokes passion through the innovative use of different aphrodisiacs. Classified into sections like Aphrodisiacs, Soups, Salads, Fish & Shellfish, Meat & Poultry, Vegetables, Sides, Desserts and Drinks, each recipe of Khanna Sutra has an international edge. ... --From publisher's website.

This book highlights the medical importance of and increasing global interest in herbal medicines, herbal health products, herbal pharmaceuticals, nutraceuticals, food supplements, herbal cosmetics, etc. It also addresses various issues that are hampering the advancement of Indian herbal medicine around the globe; these include quality concerns and quality control, pharmacovigilance, scientific investigation and validation, IPR and biopiracy, and the challenge that various indigenous systems of medicine are at risk of being lost. The book also explores the role of traditional medicine in providing new functional leads and modern approaches that can offer elegant strategies for facilitating the drug discovery process. The book also provides in-depth information on various traditional medicinal systems in India and discusses their medical importance. India has a very long history of safely using many herbal drugs. Folk medicine is also a key source of medical knowledge and plays a vital role in maintaining health in rural and remote areas. Despite its importance, this form of medicine largely remains under-investigated. Out of all the traditional medicinal systems used worldwide, Indian traditional medicine holds a unique position, as it has continued to deliver healthcare throughout the Asian subcontinent since ancient times. In addition, traditional medicine has been used to derive advanced techniques and investigate many modern drugs. Given the scope of its coverage, the book offers a valuable resource for scientists and researchers exploring traditional and herbal medicine, as well as graduate students in courses on traditional medicine, herbal medicine and pharmacy.
