One thought on “ The Big Book of Cartooning ” Aug 18, 2020 - 22:10 PM LadyS Cartooning 'seems' to be a dying art with the influx of vines and picture screen shots. however, I had oodles of fun going through this book and being inspired to draw again!

The host of the PBS program, Blitz on Cartooning, reveals the basics of drawing cartoons through step-by-step instructions on form, texture, tone, shading, facial expressions, figures, caricatures, cartoon effects, and more.

Discover the tricks of the cartooning trade with help from Bruce Blitz, host of the Emmy-nominated PBS program Cartooning with Blitz. Transform the simplest doodles into elaborate illustrations of a policeman, a lion, or even a unique, original comic strip!

NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER USA TODAY BESTSELLER "BLITZ, Trump Will Smash the Left and Win', by David Horowitz. Amazon #1 Bestseller. Hot book, great author!" — President Donald J. Trump BUCKLE UP—2020 WILL BE THE POLITICAL RIDE OF YOUR LIFE! IN NOVEMBER TRUMP WILL SMASH THE LEFT AND WIN! “We love David Horowitz. He thinks Trump is gonna win in a landslide in November, and he gives reasons why in the book, and he says Republicans are gonna be singing 'Happy Days Are Here Again' once November comes and the election is over and the votes are counted.” — Rush Limbaugh "He is one of the bravest guys. He found the real intent [of the Left] was to control America. He has never, ever sat down. A true national treasure.” — Glenn Beck “If you’re interested in debating deranged liberals with facts, you won’t want to miss this latest book.” — Donald Trump, Jr. “BLITZ is a MUST-read for those who want to better understand what is really happening in the ‘idea war’ for the soul of America.” — Governor Mike Huckabee BLITZ reveals the attacks made against Trump have been the most brutal ever mounted against a sitting president of the United States. Blinded by deep-seated hatred of his person and his policies, the left even desperately tried to oust Trump in a failed impeachment bid. Horowitz shows that their very attacks—targeting a man whose mission has been to “Drain the Swamp” and “Make America Great Again” backfired, turning Trump himself into a near martyr while igniting the fervor of his “base.” With the 2020 election upon us, New York Times bestselling author David Horowitz chronicles the brutal battles, bitter backlash, and leftwing lies Trump has faced as Democrats repeatedly try to sabotage his presidency. You’ll discover the left’s terrifying socialist and, in some cases, communist agendas as you’ve never seen them before. Trump’s response? In the meantime, he’s going to steamroll this opposition in November using the same playbook he has used to win before. In BLITZ you will find shocking revelations: The 9 biggest dangers to America the left poses—their agenda will blow your mind. Show me the money: naming the billionaires and fat cats really out to get Trump. How patriotism suddenly became “white nationalism” linking Trump to Hitler and the KKK . The growing secularism of the left and how the hate pushed against Christians will backfire. Why every effort to demonize Trump and his supporters is failing like crazy. Obama’s agenda: how the former president casts a much greater shadow over Trump’s political woes than you ever imagined. The Genius: how Trump’s brilliant strategy has worked and will continue to work, making him president again in 2021! The effort to remove and destroy our duly elected President may be the greatest challenge America has faced since the Civil War, explains Horowitz. For the first time BLITZ exposes the left’s strategy to take down Trump, and how Trump not only beat them at their own game, but how he’s turning the tables on them to achieve a stunning reelection win come November. “An indispensable book—BLITZ— explaining why today’s Democrats are so dangerous and why President Trump is their nemesis.” — Mark R. Levin, New York Times bestselling author of Unfreedom of the Press “BLITZ is the latest must-read from Horowitz: insightful, hard-hitting, controversial, and uncompromising. Ignore him at your peril.” — Peter Schweizer, New York Times bestselling author of Clinton Cash and Profiles in Corruption “This is the book your anti-Trump relatives and friends should read...as clear a moral indictment of the anti-Trump left as has been written.” — Dennis Prager, President of PragerU and New York Times bestselling author “Unparalleled insight into the current political climate, how we got here and what it means for 2020 elections.” — Sean Spicer, Host of Spicer & Co., Newsmax TV “Horowitz understands the left's malevolent goals and how to stop them. This is a must read-book!” — Charlie Kirk, New York Times bestselling author of The MAGA Doctrine “[David Horowitz] author and political activist believes President Donald Trump should focus on the issue of keeping Americans safe to help secure his re-election in the fall.” – One News Now

Bleak Expectations -- The Rising Threat -- A Certain Eventuality -- Dread -- Blood and Dust -- The Americans -- Love Amid the Flames -- One Year to the Day -- Epilogue.

Foreword by Bill Gates LinkedIn cofounder, legendary investor, and host of the award-winning Masters of Scale podcast reveals the secret to starting and scaling massively valuable companies. What entrepreneur or founder doesn’t aspire to build the next Amazon, Facebook, or Airbnb? Yet those who actually manage to do so are exceedingly rare. So what separates the startups that get disrupted and disappear from the ones who grow to become global giants? The secret is blitzscaling: a set of techniques for scaling up at a dizzying pace that blows competitors out of the water. The objective of Blitzscaling is not to go from zero to one, but from one to one billion –as quickly as possible. When growing at a breakneck pace, getting to next level requires very different strategies from those that got you to where you are today. In a book inspired by their popular class at Stanford Business School, Hoffman and Yeh reveal how to navigate the necessary shifts and weather the unique challenges that arise at each stage of a company’s life cycle, such as: how to design business models for igniting and sustaining relentless growth; strategies for hiring and managing; how the role of the founder and company culture must evolve as the business matures, and more. Whether your business has ten employees or ten thousand, Blitzscaling is the essential playbook for winning in a world where speed is the only competitive advantage that matters.

This is the story of a dog named Blitz who changed the Rainbow Bridge forever.

"Mr. Phillips's sources were the files of The New York Times and the leading periodicals of the day, histories, memoirs, diaries, and government reports. Together, text and photographs offer a total historical experience of a decade in the life of a nation shadowed by depression, heading toward war."--BOOK JACKET.

Acclaimed cartoonist Bruce Blitz, creator and host of the Emmy-nominated series "Cartooning with Blitz," brings the tricks of his trade to this unique miniature cartooning kit. It contains 2 overlay sheets, drawing and tracing papers, marker, pencil, and sharpener-everything necessary to release one's cartooning creativity.

The Little Blitz on London in the early part of 1944 is briefly mentioned in most accounts of the aerial war against the UK during the Second World War but is seldom deemed worthy of more than a few lines. The Little Blitz is the name applied to the air raids on Britain which were the manifestation of the Luftwaffe's Operation Steinbock, planned in the last few months of 1943 and put into effect from the middle of January 1944. The raids, planned as revenge for the destructive RAF raids on Berlin, were mainly targeted London, and after nearly three years of respite from air raids, the Little Blitz was an unwelcome surprise for residents of the Capital. The offensive was largely ineffective but some of the raids caused significant casualties and damage, and some alarm amongst the population and the authorities. This is the first account of the Little Blitz to explore these bombings in detail and assess their impact on London. This book describes the raids, making use of some vivid personal accounts, to give a gripping picture of the effect that these little-known events had on a complacent city.
