Museum curator Summer Hawthorne considered the exquisite ice-blue ceramic bowl given to her by her beloved Japanese nanny a treasure of sentimental value—until somebody tried to kill her for it. The priceless

relic is about to ignite a global power struggle that must be stopped at all costs. It's a desperate situation, and international operative Takashi O'Brien has received his directive: everybody is expendable. Everybody. Especially the woman who is getting dangerously under his skin as the lethal game crosses the Pacific to the remote and beautiful mountains of Japan, where the truth can be as seductive as it is deadly....

NEW TECHNIQUE CONNECTS COUPLES "Truly original, in over 30 years as a counselor educator, I've never seen anything like this." - Mark E. Young Ph. D. Professor, Counselor Education Teaches you how to: Connect on a CORE level with your partner Build trust and effective communication skills Work through ANY issues together as a team Feel valued and appreciated by one another Truly be there for one another when needed See if there's HOPE for your relationship Do you know why so many couples fail or feel like something important is missing from their relationships? It's because no one ever taught them how to create and sustain an intimate connection with a partner. Whether you're single, in a relationship that's going strong, or having problems, you can benefit! This breakthrough technique shows you, step-by-step, how to create the most intimate connection possible. Project Intimacy is a quick, easy read with interactive charts, diagrams, chapter takeaways, and self-awareness exercises that are full of practical applications. Give your relationship the best chance at success and equip yourself with the knowledge to experience the love you desire. Begin your journey, visit www.projectintimacy.com to see a FREE EXCERPT today.

Shows how to turn conflict and disappointment in a relationship into opportunities for learning, mutual growth, and intimacy

How often do you battle the desires of what you want your spouse to do and what actually happens? Each year couples begin the disastrous journey of divorce that might have been averted by better communication over the little stuff. Learning how to communicate with your spouse in the way that gets them to want to see your perspective is key to a successful connection. In his book *The Connection Principle: 3 Essential Communication Tools for Getting What you Want from Your Spouse*, Chuck Taylor combines engaging story telling with practical steps to help you move your spouse from working against you to working with you. This book will teach you to help your spouse to engage in conversations, to desire to hear what you are saying, and to create a meaningful environment for communication.

"What are you, some kinda PSYCHO?" How many times have you said this to someone? Probably a lot. How often has someone said this to you? Hopefully, not so much! Truth is, we've all dated or been involved with someone who drove us nuts or, if we haven't, chances are that we were the ones who got on the other person's nerves. Now, the question is: who is the Psycho; you or the other person? *Don't Date a Psycho: Don't Be One, Don't Date One* looks at why we behave in the ways that we do in relationships, what makes us stay with the person we're with and what makes us leave them, and how to tell who is safe to be in a relationship with and who is unsafe. Done with humor and written from more than two decades of clinical experience as a psychologist, Dr. Keiron Brown helps us to gain a clearer understanding of who we are as individuals, who we are as partners in relationships and what makes each and every one of us prone to acting a little nuts sometimes when our hearts are at stake.
