The Sidecar Guide contains everything for the sidecar rider, new or experienced, with sections on riding skills, sidecar setup, issues and solutions for handling problems, sidecar selection, accessories, care and maintenance, and much more.The first new sidecar book of it's type to be published in many years, it draws on my many years of experience operating 3WB Sidecars as well as the invaluable contributions made by specialists in the fields of disabled sidecar use and taking your dog in the sidecar. The "go to" reference for people new to sidecars and exisiting sidecar owners. Both books are written for left and right handed sidecars.

The first step to implementing kaizen in any organization is to provide training on the Toyota Production System (TPS). This title provides this training material and explains why the TPS tools, including kaizen, must work in tandem with a fresh way of thinking to bring about cultural change. It also includes reusable charts and forms.
