the stifling constraints of boarding school, she joins her father—a handsome, still-young widower with a wandering eye—for a carefree, two-month summer vacation in a beautiful villa outside of Paris with his latest mistress, Elsa. Cécile cherishes the free-spirited moments she and her father share, while plotting her own sexual adventures with a "tall and almost beautiful" law student. But the arrival of her late mother's best friend, Anne, intrudes upon a young girl's pleasures. And when a relationship begins to develop between the adults, Cécile and her lover set in motion a plan to keep them apart...with tragic, unexpected consequences. The internationally beloved story of a precocious teenager's attempts to understand and control the world around her, Françoise Sagan's *Bonjour Tristesse* is a beautifully composed, wonderfully ambiguous celebration of sexual liberation, at once sympathetic and powerfully unsparing.

Published when she was only eighteen, Françoise Sagan's astonishing first novel, *Bonjour Tristesse* became an instant bestseller. It tells the story of Cécile, who leads a carefree life with her widowed father and his young mistresses until, one hot summer on the Riviera, he decides to remarry - with devastating consequences. In *A Certain Smile* Dominique, a young woman bored with her lover, begins an encounter with an older man that unfolds in unexpected and troubling ways. These stylish, shimmering and amoral tales had explicit sexual scenes removed for English publication in the 1950s. Now this fresh and accurate new translation presents the uncensored text of Sagan's masterpieces

in full for the first time. A New Translation by Heather Lloyd With an Introduction by Rachel Cusk 'Françoise Sagan is the French F. Scott Fitzgerald.' Guardian 'Funny, thoroughly immoral and thoroughly French.' The Times

The French Riviera: home to the Beautiful People. And none are more beautiful than Cecile, a precocious seventeen-year-old, and her father Raymond, a vivacious libertine. Charming, decadent and irresponsible, the golden-skinned duo are dedicated to a life of free love, fast cars and hedonistic pleasures. But when Raymond decides to marry, he lets loose in Cecile raw, ungovernable impulses to destroy, with tragic consequences. **BONJOUR TRISTESSE** scandalized 1950s France with its portrayal of teenager Cecile, a heroine who rejects conventional notions of love, marriage and responsibility to choose her own sexual freedom.

A lighthearted look at how to bring more humor, happiness, and joie de vivre into our lives through French literature Like many people the world over, Viv Groskop wishes she was a little more French. A writer, comedian, and journalist, Groskop studied the language obsessively starting at age 11, and spent every vacation in France, desperate to escape her Englishness and to have some French chic rub off on her. In *Au Revoir, Tristesse*, Groskop mixes literary history and memoir to explore how the classics of French literature can infuse our lives with joie de vivre and teach us how to say goodbye to sadness. From the frothy hedonism of Colette and the wit of *Cyrano de Bergerac* to the intoxicating universe of Marguerite

Duras and the heady passions of *Les Liaisons dangereuses*, this is a love letter to great French writers. With chapters on Marcel Proust, Victor Hugo, Gustave Flaubert, Stendhal, Honoré de Balzac, Albert Camus, and of course Françoise Sagan, this is a delectable read for book lovers everywhere.

Françoise Sagan is best known for her first novel, *Bonjour Tristesse*, which caused a scandal when she first published it at the age of eighteen in 1953. But her second novel, *A Certain Smile*, less shocking and more psychologically convincing, was preferred by many critics. Like *Bonjour Tristesse*, this story is set in Paris in the 1950s and told by a young student bored by her law books, restless and curious about love and sex. She is fond of her loyal boyfriend, but he, too, bores her. His worldly uncle strikes her as more exciting, appealingly risky and forbidden. Frank and spontaneous, vulnerable and cruel, thoughtless and insightful, Sagan's young narrator explores such perennial themes as unrequited love and the precarious balance of irrational emotions and self-restraint. This edition includes a new foreword by Diane Johnson, author of the best-selling novels *Le Divorce* and *L'Affaire*. "The second book is now out, and so is the verdict. Sagan's novel *Un Certain Sourire*, written in two months, is the new literary sensation of Paris."—*Time* "Miss Sagan is a technician of the highest order, working with exceptional economy and elegance in the tradition of Colette and Benjamin Constant."—*Atlantic* "The reader is given the feeling of having opened a young girl's intimate diary by mistake. But whoever put such a diary down?—especially when the author is as sensitive,
