~~A Shadow Falls Novel Series | Born at Midnight by C.C.~~
The first book in the Shadow Falls series, Born at Midnight (2011), is a young adult, supernatural romance novel by American author C.C. Hunter. Narrated in the third person, and set at Shadow Falls, a camp for troubled teens, the story follows sixteen-year-old Kylie Galen on a journey of self-discovery as she learns she has supernatural powers.

Sixteen-year-old Kylie Galen thinks her misbehavior in the wake of her grandmother's death and her parents' separation are the reasons she has been sent to Shadow Falls Camp, but learns it is a training ground for vampires, werewolves, and other "freaky freaks," of which she may be one.

A vampire and a werewolf who never fit in. A witch whose spells don't always work as planned. And a mysterious new guy who's hiding something. Together they will discover who they're meant to be... Hidden from the human world, Shadow Falls is a secret camp for teens with supernatural powers. But for four very different teens, it's much more than just a camp—it's where their destinies will unfold. Independent and strong-willed Della Tsang didn't believe in vampires...until she became one. Chase Tallman is the newest member of Shadow Falls, but what made him into the sexy, mysterious vampire he is today? And what led him to Della Tsang? For Miranda Kane, magic has always been something she's struggled with—until she finally has a chance to prove herself a witch to be reckoned with. And for Fredericka Lakota, the one guy who challenges her the most will lead her to the life she's always wanted. C. C. Hunter's New York Times bestselling Shadow Falls series captured hearts all over the world. Now available in print for the first time, these enchanting novellas will reveal a side of the camp that you've never seen before...and live in your heart forever. Fans won't want to miss these four remarkable stories of love, magic and friendship.

In the third installment of the Shadow Falls series, Kylie Galen believes that if she can just discover what she is, all the other uncertainties in her life will suddenly make sense, but in a camp for teens with paranormal abilities, there's not much that makes sense. Original.

Step into the world of Shadow Falls, a camp that helps teens tap into their special...talents. Once you visit, you'll never forget it—and you'll never, ever be the same. From the moment Kylie Galen arrived at Shadow Falls Camp, she's had one burning question: What am I? Surrounded by vampires, werewolves, shape-shifters, fairies and witches, Kylie longs to figure out her own supernatural identity, ...and what her burgeoning powers mean. And now she'll need them more than ever, because she's being haunted by a new spirit who insists that someone Kylie knows—and loves—will die before the end of the summer. If only she only knew who she was supposed to save. And how... But giving Kylie the most trouble is her aching heart. Gorgeous werewolf Lucas left camp with another girl, but he's still visiting Kylie in her dreams. And Derek, a sexy half Fae who's always been there for her when she needed him, is pushing to get more serious—and growing impatient, especially when Lucas returns. Kylie knows she needs to decide between the boys, and it's tearing her up inside. Yet romance will have to wait, because something from the dark side of the supernatural world is hiding in Shadow Falls. It's about to threaten everything she holds dear...and bring her closer to her destiny. Awake at Dawn is the second installment in C.C. Hunter's young adult fantasy series.

"When Kylie's most powerful enemy returns to destroy her once and for all, there's only one way to stop him--to step into her full powers and make a stunning transformation that will amaze everyone around her"--Provided by publisher.
