A standard kit includes a large tin of malt extract infused with hops and some yeast, and costs around £10. You will need to add your own sugar. Kits around £20 have slightly more malt extract. The difference between the two is seen in the body of the beer - the more refined sugar you add, the thinner the beer.

Full instructions are included for both malt extract and full-grain brewing while section on brewing methods and equipment helps readers to choose the right brewing method for them and the right equipment to brew successfully. Includes dual measurements.

Written by a home-brewing authority, this guide "includes detailed instructions for both novice and more advanced home-brewers, as well as comprehensive recipes for recreating some of Britain's best-loved beers at home. Recipes are grouped by beer style, allowing home brewers to recreate popular and classic milds, pale ales, bitters, stouts, porters, old ales, and barley wines. Full instructions are included for both malt extract and full-grain brewing while a full-color section on brewing methods and equipment helps readers to choose the right brewing method for them and the right equipment to brew successfully.

Packed with recipes, expert advice, step-by-step photos, and more, this official guide from Brew Your Own is a necessity for anyone who's into homebrew. For more than two decades, America's homebrewers have turned to Brew Your Own magazine for the best information on making incredible beer at home. From well-tested recipes to expert advice, Brew Your Own sets the standard for quality. Now, for the first time, the magazine's best homebrew guides, recipes, troubleshooting, and tips are brought together in one book. The Brew Your Own Big Book of Homebrewing is the ultimate all-in-one homebrew book. It's a first-time homebrewer's best friend, explaining the entire brewing process from start to finish with step-by-step photography. Yet it has plenty for the experienced homebrewer as well, including: - Fully-illustrated guides for making the jump to all-grain brewing and for setting up your first kegg system - More than 50 sought-after recipes to craft your favorite breweries' beers - A deep dive on brewing ingredients - The most useful troubleshooting features and tips from the pros from two decades of the magazine Whether you're looking to get into brewing, up your game, or find inspiration for your next brew day, this book has what you need.

For more than two decades, homebrewers around the world have turned to Brew Your Own magazine for the best information on making incredible beer at home. Now, for the first time, 300 of BYO's best clone recipes for recreating favorite commercial beers are coming together in one book. Inside you'll find dozens of IPAs, stouts, and lagers, easily searchable by style. The collection includes both classics and newer recipes from top award-winning American craft breweries including Brooklyn Brewery, Deschutes, Firestone Walker, Hill Farmstead, Jolly Pumpkin, Modern Times, Maine Beer Company, Stone Brewing Co., Surly, Three Floyds, Tröegs, and many more. Classic clone recipes from across Europe are also included. Whether you're looking to brew an exact replica of one of your favorites or get some inspiration from the greats, this book is your new brewday planner.

Radical Brewing takes a hip and creative look at beer brewing, presented with a graphically appealing two-color layout.

This book is a must-have for both beginners and experienced brewers looking for great new recipes.

No longer are mild ales confined to the small towns of England. Once a designation for an entire class of beers, mild ale now refers to a beer style some describe as the "elixir of life for the salt of the earth." Mild is a beer that can be at once light or dark, very low or very high in alcohol, and either rich in dark malt flavor or light and crisp with a touch of hop flavor and aroma. The recipes included offer a wide range of interpretations for a style that has unparalleled flexibility. The Classic Beer Style Series from Brewers Publications examines individual world-class beer styles, covering origins, history, sensory profiles, brewing techniques and commercial examples.

How to brew, ferment and enjoy world-class beers at home. Making beer at home is as easy as making soup! George Hummel smoothly guides the reader through the process of creating a base to which the homebrewer can apply a myriad of intriguing flavorings, such as fruits, spices and even smoke. There are also outstanding and easy recipes for delicious meads, tasty ciders and great sodas -- all of which can be made in a home kitchen and with minimal equipment. Using Hummel's easy-to-follow instructions and thorough analysis of the flavor components of beer, a novice homebrewer can design recipes and make beers to suit any taste or craving. Knowing exactly what's in a beer has additional benefits -- homebrewers can easily avoid the chemical additives traditionally found in mass-produced commercial beers. As an added bonus, the recipes are categorized according to their degree of difficulty, so new brewers can find the recipes that match their comfort level and then easily progress onto new skills. These 200 tantalizing beer recipes draw their inspiration from the Americas and around the world. They include: Irish amber American/Texas brown California blonde Bavarian hefeweizen Multi-grain stout Imperial pilsner Pre-Prohibition lager Golden ale Scottish 60 shilling Belgium dubble German bock Raspberry weizen Vanilla cream stout Flemish red & brown Standard dry sparkling mead There is also a comprehensive glossary that virtually guarantees readers will find answers to every question about ingredients and equipment. Packed with practical advice and effectively designed, The Complete Homebrew Beer Book is like having a personal brewmaster overseeing and guiding each creation.
